STATEMENT OF REASONS

Analysis of Submissions and statutory requirements

1. Appropriate consent is in place for the use of the premises as a producer wholesaler liquor licence with drink on premises authorisation. Council advised that they have no objection to the liquor licence.
2. Police have supported application with 6 conditions to be imposed, Plan of management, CCTC, Crime Scene, Incident register, No rapid consumption and membership of the Local Liquor Accord. I have not imposed the no rapid consumption but due to the adverse crime stats of the area I have imposed the other conditions as requested by police.
3. (a) No public submissions were received relating to any issues with the application

(b) Submissions were received and considered as summarised in **Submission analysis** below. In relation to the submissions received, while there were concerns raised about the potential impact of granting the licence, I am satisfied that these can be addressed by the conditions which I have imposed on the licence.
4. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
5. I am satisfied that the statutory advertising requirements have been met.
6. Having reviewed all the material, I am satisfied that granting this application will not be detrimental to the local or broader community.
