## **STATEMENT OF REASONS**

### **Analysis of application requirements**

1. Development approval is not required for a home office where customer orders are processed online into sales. The licensed area within a residential dwelling will purely be used for administrative purposes as events and functions will happen away from this address.
2. Police have no objections. No response received from Council.
3. One public submission was received which objected to liquor being sold and served at premises. Please refer to point 1 which confirms events will be held elsewhere.
4. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions imposed in the licence document.
5. I am satisfied that the statutory advertising requirements have been met.

1. The objects of this Act are as follows:
  - a. to regulate and control the sale, supply and consumption of liquor in a way that is consistent with the expectations, needs and aspirations of the community,

  - c. to contribute to the responsible development of related industries such as the live music, entertainment, tourism and hospitality industries.
2. In order to secure the objects of this Act, each person who exercises functions under this Act (including a licensee) is required to have due regard to the following:
  - a. the need to minimise harm associated with misuse and abuse of liquor (including the harm arising from violence and other anti-social behaviour),

- b. the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor,
- c. the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity of community life,

### **Statutory tests**

1. In determining an application for a licence, under section 45(3) of the Liquor Act 2007, the delegate must also be satisfied that:

  - b. practices will be in place as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises and that those practices will remain in place, and

  - d. the proposed approved manager/licensee has completed the relevant tiered industry training as per legislative requirements.

### **Community impact test**

Under section 48(5) of the Liquor Act 2007, the delegate must not grant a licence, authorisation or approval of a kind prescribed by section 48(2) of the Act unless the Authority is satisfied, having regards to the Community Impact Statement, where required, and any other matter the delegate is made aware of during the application process, that the overall impact of the licence, authorisation or approval in question being granted will not be detrimental to the local or broader community.

The test applying under section 48(5) relates to delegated decisions in relation to:

- a. the grant or removal of a small bar licence (where required),
- b. a packaged liquor licence (limited to telephone/internet sales),

The Community Impact Statement provides the Authority with information about the views of relevant stakeholders and other aspects of the local community in which the proposed licensed premises is to be located. This includes, for example, the proximity of the licensed premises to hospitals or health facilities, nursing homes, schools and places of worship.
