**Decision of the Independent Liquor & Gaming Authority
Application for a new packaged liquor licence – IGA Werrington**

We **approve** the application above under section 45 of the *Liquor Act 2007* — with the conditions set out in Schedule 1.

Trading on a Sunday that falls on 24 December

If a Sunday falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. Under the 6-hour closure period for the current licence, the premises must not trade earlier than 10:00am.

Approved manager or individual licensee

The licence cannot be exercised until the Authority or Liquor & Gaming NSW is notified that:

- the licence is transferred to an individual licensee, or an approved manager is appointed; and
- the licensee or approved manager is a suitable and qualified person.

Mixed-use checkouts must be closed outside licensed hours

Under section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

Statement of reasons

The statement of reasons will be published on the [Liquor & Gaming NSW website](https://www.liquorandgaming.nsw.gov.au) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

STATEMENT OF REASONS

Our decision

We have considered the objects of the *Liquor Act 2007* (the Act) and the relevant legislative provisions and have approved the application under section 45 of the Act.

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community.

The decision achieves the aim of the Act to regulate the liquor industry to meet the community's expectations, needs, and aspirations, while also promoting a balanced and responsible development of the industry.

Our main findings

The local community for the purposes of this decision is Werrington County. The broader community is the Local Government Area (LGA) of Penrith.

Positive social impacts

The applicant seeks approval to operate a small liquor area within an existing IGA supermarket, located in Werrington County Shopping Centre. There was one objection from a member of the public, but no objections from Police, Council, Compliance or other relevant stakeholders.

The licence hours align with the trading hours of the shopping centre providing customers with the opportunity for one-stop shopping.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the:

- higher than average rate of alcohol-related disorderly conduct within Werrington County
- higher than average rate of malicious damage to property in Werrington County
- domestic assault incidents and malicious damage to property hotspots identified across Werrington County (classified as medium density)
- higher than average density of packaged liquor licences in Werrington County
- higher than average percentage of Aboriginal and Torres Strait Islander population in both Werrington County and the Penrith LGA.

However, we are satisfied that these risks are reduced by the:

- relatively small size of the area in which liquor will be sold or supplied, with reduced trading hours
- lower than average rate of alcohol related assault across Werrington County
- lower than average rate of alcohol related domestic and non-domestic assault in both Werrington County and the Penrith LGA
- lower than average incident rate of alcohol attributed hospitalisations in the Penrith LGA
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations

- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

Yours sincerely
