Under delegation issued by the Independent Liquor and Gaming Authority under section 13 of the *Gaming and Liquor Administration Act 2007*, **an authorised person** of Liquor & Gaming NSW, has **considered** the application:
Packaged Liquor Licence (online only) – The Original Crush

I have determined to approve the application under the *Liquor Act 2007* (Act) — with the conditions set out in Schedule 1.

Statement of reasons

Having reviewed all the material, I am satisfied under section 48(3) of the Act that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Main findings

Impacted communities

For the purposes of this decision the local community is the suburb of Gosford.

The broader community is the Local Government Area (LGA) of Central Coast.

Analysis of Submissions and statutory requirements

1. The licensed premises will be within a business suite of an office building.
2. Council have confirmed development approval is in place.
3. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
4. I am satisfied that all other statutory requirements have been met.

Positive social impacts

I am satisfied that the proposal would benefit the local and broader communities.

The licensee intends to sell a range of wines only to a select customer group.

No sales will be made in person at the licensed premises and members of the public will not be permitted to attend the premises to place or collect their orders. Liquor will be stored off-site in a secure warehouse facility.

Negative social impacts

I accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities.

I am satisfied that the business model, conditions imposed, and any other information contained in the application will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

In particular, the Plan of Management and licence conditions will serve to mitigate any potential negative impacts.

The material that was considered

I considered the following material when making a decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a Statement of Risks and Potential Effects (SoRPE)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

Opportunity for review

The applicant and anyone who was notified of the application and made a submission, may apply to [ILGA](#) for a review of the decision.

An application for review must be made no later 28 days after the decision is published on the website ([ILGA](#)). There is a fee to lodge the application.
