3. Statutory tests

- (1) In determining an application for a licence, under section 45(3) of the *Liquor Act 2007*, the delegate must also be satisfied that:
 - a. the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates,
 - b. practices will be in place as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the
 - c. premises and that all reasonable steps are taken to prevent intoxication on the premises and that those practices will remain in place, and
 - d. if development consent is required under the *Environmental Planning and Assessment Act 1979* (or approval under Part 4 Division 4.1 or Part 5.1 of that Act is required), to use the premises for the purposes of the business or activity to which the proposed licence relates – that development consent or approval is in force.

4. Community impact test

- (1) Under section 48(5) of the *Liquor Act 2007*, the delegate must not grant a licence, authorisation or approval of a kind prescribed by section 48(2) of the Act unless the Authority is satisfied, having regards to the Community Impact Statement, where required, and any other matter the delegate is made aware of during the Application process, that the overall impact of the licence, authorisation or approval in question being granted will not be detrimental to the local or broader community.
- (2) The test applying under section 48(5) relates to delegated decisions in relation to:
 - a. the grant or removal of a small bar licence (where required),
 - b. a packaged liquor licence (limited to telephone/internet sales),
 - c. an application for extended trading hours to permit the sale of liquor after midnight in relation to a small bar (where required), an on premises relating to a restaurant that includes an application for a primary service authorisation, an on premises licence relating to a karaoke bar, a catering service or a vessel, and an application for a producer/wholesaler licence that includes an application for a drink on premises authorisation.
- (3) The Community Impact Statement provides the Authority with information about the views of relevant stakeholders and other aspects of the local community in which the proposed licensed premises is to be located. This includes, for

example, the proximity of the licensed premises to hospitals or health facilities, nursing homes, schools and places of worship.

- (4) Local and Broader Community - for the purposes of this decision, the delegate is satisfied that the relevant “local community” is the community within the town of Bilpin, and the “broader community”, Hawkesbury City Council

5. Analysis of Submissions and other Materials

- (1) Having reviewed all of the material, I am satisfied that this application for a producer wholesaler with a drink on premises authorisation will not result in any significant increase in alcohol-related harms in the local community.
- (2) Development consent from Hawkesbury City Council is in place to permit the proposed activity at the venue.
- (3) I am satisfied that the applicant has provided consent to imposing the conditions contained in the licence document.
- (4) Police have not objected but have requested conditions to be imposed which have been duly considered by the delegate.
- (5) I am satisfied that the statutory advertising requirements have been met.

6. Overall social impact

(1) Positive benefits

The proposed licence will permit the licensee to operate a producer wholesaler licence with production capacity, a cellar door in addition to an on-site restaurant and drink on premises authorisation. As the venue is located along the busy Bells Line of Rd in Bilpin, it will cater to a mix of travellers on route to/from Sydney – Mudgee. The licensee states that, visitors will have a genuine, “Mountains Country Experience”

(2) Negative impacts

The nature of the licence sought means that there are unlikely to be any amenity impacts on the local community.

7. Conclusion

- (1) I am satisfied that procedural fairness was afforded to the applicant and interested parties regarding the decision whether or not to grant the application, as all of those required to be notified of the application were provided with the opportunity to make written submissions and all submissions received were considered and helped inform this decision.
