- (2) The test applying under section 48(5) relates to delegated decisions in relation to:

Liquor & Gaming NSW

- c. an application for extended trading hours to permit the sale of liquor after midnight in relation to a small bar (where required), an on premises relating to a restaurant that includes an application for a primary service authorisation, an on premises licence relating to a karaoke bar, a catering service or a vessel, and an application for a producer/wholesaler licence that includes an application for a drink on premises authorisation.
- (3) The Community Impact Statement provides the Authority with information about the views of relevant stakeholders and other aspects of the local community in which the proposed licensed premises is to be located. This includes, for example, the proximity of the licensed premises to hospitals or health facilities, nursing homes, schools and places of worship.
- (4) Local and Broader Community - for the purposes of this decision, the delegate is satisfied that the relevant “local community” is the community within the city of Marrickville and the “broader community” of the Inner West Council LGA.

5. Analysis of Submissions and other Materials

- (1) Having reviewed the material, I am satisfied that this application for an On premises liquor licence with primary service authorisation and extended trading authorisation is unlikely to result in any significant increase in alcohol-related harms in the local community.

- (3) I am satisfied that the statutory advertising requirements have been met.
- (4) Police have raised no objections to the grant of this liquor licence.

6. Overall social impact

(1) Positive benefits

The venue wishes to operate as a restaurant with a primary service authorisation located within the new dining precinct to be housed within the new building of Marrickville Metro Shopping Centre.
