**Decision of the Independent Liquor & Gaming Authority
Application for a packaged liquor licence – Orange Supermarket, Wentworth Point**

The Independent Liquor & Gaming Authority considered the application above, and decided on 1 December 2020 to **approve** the application under section 45 of the *Liquor Act 2007*, subject to imposing conditions as set out in Schedule 1.

Take away liquor sales

Pursuant to section 12 of the *Liquor Act 2007*, the latest time to which the Authority can authorise takeaway liquor sales is 10:00 pm on all trading days.

By the operation of an exemption under clause 117 of the Liquor Regulation 2018, premises authorised to sell liquor for takeaway to 10:00 pm may continue to do so until:

- 12 midnight on any day (other than a Sunday that does not fall on 24 December or 31 December or a restricted trading day), and
- 11:00 pm on Sundays (other than a Sunday that falls on 24 or 31 December or a restricted trading day).

In the circumstances of this application, the Authority considers it appropriate to limit the operation of the clause 117 exemption, by authorising takeaway liquor sales to 9:59 pm on all days.

Transfer to a suitable and qualified person

The licence must not be exercised unless and until Liquor & Gaming NSW has granted a transfer of the licence to a suitable and qualified person.

Mixed-use checkouts must be closed outside licensed hours

Pursuant to section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

Concise statement of reasons

A concise statement of reasons for this decision is attached at the end of this letter.

In the interest of efficient finalisation of determined matters in a high-volume liquor and gaming jurisdiction, the Authority will only produce a detailed statement of reasons for applications which are refused, partially approved or the subject of stakeholder objections.

A concise statement of reasons is produced for non-contested applications that have been approved by the Authority, in cases where a statement of reasons is required to be published for the application under section 36C of the *Gaming and Liquor Administration Act 2007*.

The concise statement of reasons briefly sets out the material considered by the Authority, the legislative requirements, and the Authority's key findings.

If you have any questions, please contact the case manager, Mr Andrew Whitehead, at andrew.whitehead@liquorandgaming.nsw.gov.au.

Yours faithfully

Decision	Approved under section 45 of the <i>Liquor Act 2007</i>
Decision date	1 December 2020

Material considered by the Authority

The Authority has considered the following material in determining the application:

- application material, including evidence of notification to specified stakeholders and the community about the application
- Category B community impact statement
- premises plan setting out the proposed boundaries of the licensed premises
- Plan of Management for the licensed business at the premises
- development consent for the premises
- Liquor & Gaming LiveData report for the premises
- stakeholder submissions in relation to the application, and the applicant's response to those submissions.

Legislative requirements

The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:

- section 3: Statutory objects of the Act and relevant considerations
- sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold
- sections 14, 15, 15A and 17: Specific provisions in respect of a hotel licence
- sections 29-31: Specific provisions in respect of a packaged liquor licence
- section 40: Minimum procedural requirements for a liquor licence application to be validly made
- section 44: Submissions to Authority in relation to licence applications
- section 45: Criteria for granting a liquor licence
- section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community.

The Authority has also had regard to its Guideline 6 in considering the overall social impact of approving the application pursuant to section 48 of the Act.

Key findings

In accordance with its Guideline 6, the Authority finds that the relevant local community for the purposes of this decision is the suburb of Wentworth Point, and the broader community is the Local Government Area of Parramatta.

Positive social impacts

The Authority is satisfied on the material before it that the proposal set out in the application, if approved, would likely benefit the local and broader communities through the provision of increased liquor access, choice and convenience.

Negative social impacts

The Authority notes that the premises is located in a medium density hotspot for alcohol-related domestic violence, and that incident rates for this offence in Wentworth Point are higher than the state average.

Furthermore, the Authority accepts that the proposal may, over time, contribute to an increase in alcohol-related harm in the local and broader communities, including alcohol-fuelled violence, health problems and/or social and amenity issues.

The Authority is nevertheless satisfied that these risk factors are sufficiently mitigated by the following:

- relatively small size of the area in which liquor will be sold or supplied
- lower than average crime rates within the local and broader communities for the offences of alcohol-related non-domestic assault, alcohol-related offensive conduct and malicious damage to property
- above average level of relative socio-economic advantage and disadvantage in the local and broader communities
- lower than average saturation and clustering of licences authorised to sell packaged liquor in the local and broader communities
- lower than average level of alcohol-attributable deaths and hospitalisations in the broader community
- absence of any objections from agency stakeholders or members of the community
- harm minimisation measures set out in the plan of management and licence conditions as set out in Schedule 1.

Overall social impacts and conclusion

Having considered the positive and negative social impacts that are likely to flow from the applicant's proposal, the Authority is satisfied that the overall social impact of approving the application will not be detrimental to the well-being of the local or broader community.

The Authority is also satisfied that the other legislative requirements for the approval of the application have been met.

The Authority finds, having regard to the above, that approving the application is consistent with the statutory objects and considerations of the Act to regulate the liquor industry in line with the community's expectations, needs and aspirations, and facilitate the balanced and responsible development of the liquor industry and related industries.

Accordingly, the Authority approves the application under section 45 of the Act.
