## STATEMENT OF REASONS

### DECISION

1. On 1 July 2020, HNR Australia Pty Ltd ("Applicant") lodged with Liquor & Gaming NSW ("L&GNSW"), for determination by the Independent Liquor & Gaming Authority ("Authority"), an application ("Application") for a packaged liquor licence ("Licence") for the premises at Unit 6/4 Villiers St Parramatta ("Premises").
2. The Authority considered the Application at its meeting on 14 October 2020 and decided to grant the Licence under section 45 of the *Liquor Act 2007* ("Act").
3. In reaching this decision, the Authority has had regard to the relevant material before it and the legislative requirements under the Act and the Liquor Regulation 2018.
4. A preliminary notification of this decision was sent to the Applicant on 9 November 2020, together with the licence document for the Premises.

### MATERIAL CONSIDERED BY THE AUTHORITY

5. The Authority has considered the Application, the accompanying community impact statement ("CIS"), and all submissions received in relation to the Application.
6. The Authority is satisfied that procedural fairness was afforded to the Applicant and interested parties regarding this decision, as all parties required to be notified of the Application were provided with the opportunity to make submissions.
7. In accordance with its Guideline 6, the Authority has also had regard to relevant L&GNSW liquor licensing records and data published by Bureau of Crime Statistics and Research ("BOCSAR"), NSW Department of Health, and Australian Bureau of Statistics ("ABS").
8. A list of the material considered by the Authority is set out in Schedule 2.

### LEGISLATIVE FRAMEWORK

9. The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:
  - a) Section 3: Statutory objects of the Act and relevant considerations
  - b) Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold
  - c) Sections 29-31: Specific provisions in respect of a packaged liquor licence
  - d) Section 40: Minimum procedural requirements for a liquor licence application to be validly made
  - e) Section 45: Criteria for granting a liquor licence
  - f) Section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community
10. An extract of these sections is set out in Schedule 3.

### KEY FINDINGS

11. Having regard to the information before it and relevant legislative requirements, the Authority makes the following findings in relation to the Application.

### Validity, procedural and trading hour requirements

12. The Authority is satisfied on the material before it that:

- a) the Application has been validly made and meets the procedural and trading period requirements under sections 11A, 12 and 40 of the Act
  - b) if the Licence were to be granted, liquor would be sold and supplied in a separate liquor sales area at the Premises, and in accordance with the authorisation conferred by a packaged liquor licence, as required by sections 29 and 30 of the Act
  - c) section 31 of the Act does not apply to the Application as the Premises is not intended to operate as is contemplated by the section
13. Pursuant to section 48 of the Act, the Authority finds that the CIS submitted with the Application was prepared in accordance with the relevant requirements.

### **Fit and proper person, responsible service of alcohol, and development consent requirements**

14. Pursuant to section 45 of the Act, the Authority is also satisfied that:

- a) the Applicant is a fit and proper person to carry on the business to which the proposed licence relates, given that no concerns regarding the Applicant's probity were raised upon consultation with relevant law enforcement agencies,
- b) practices would be in place from the commencement of licensed trading at the Premises to facilitate the responsible serving of alcohol, having regard to the plan of management documentation for the Premises and the conditions to be imposed on the licence, and
- c) the requisite development consent is in force, based on the Notice of Determination of Development Application No. DA/717/2019 in respect of the Premises, issued by Parramatta Council on 19 May 2020.

### **Community impact**

#### ***Local and broader communities***

For the purpose of this decision and consistent with its position in *Guideline 6*, the Authority is satisfied that the relevant "local community" is the community within the suburb of Parramatta, and the relevant "broader community" comprises the Local Government Area ("LGA") of Parramatta LGA.

#### ***Licence density***

15. The Authority notes that Parramatta suburb has a higher density of packaged liquor licences and licences authorised to sell packaged liquor compared to the state average.

#### ***Crime data***

16. The relevant BOCSAR data indicates that, for the year to June 2020:

- a) the Premises was located within hotspots for incidents of alcohol-related assault, domestic and non-domestic assault, and malicious damage to property
- b) Parramatta suburb recorded higher rates of alcohol-related domestic assault and alcohol-related offensive conduct, and significantly higher rates of alcohol-related non-domestic assault and malicious damage to property compared to the NSW state average
- c) Parramatta LGA recorded lower rates of alcohol-related assault (domestic and non-domestic), and alcohol-related offensive conduct, and a higher rate of malicious damage to property compared to the NSW state average

#### ***Alcohol-related health data***

17. The most recent HealthStats NSW data available at the time of the Authority's decision indicates that Parramatta LGA recorded a lower than average level of alcohol attributable deaths for the period 2016-2017, and a lower than average level of alcohol attributable hospitalisations for the period 2016-2018.

## **SEIFA**

18. The Authority notes that ABS Socio-Economic Index for Areas ("SEIFA") data as at 2016 indicates that Parramatta and Parramatta LGA were relatively advantaged compared to other suburbs and LGAs in NSW.

## ***Purported benefits***

19. The Authority notes the suburb of Paramatta is socio-economically advantaged and with population forecast to grow by 75% by 2041. The Authority further notes that 1.5% of the suburb's residential population nominated their country of birth as South Korea in the 2016 Census.
20. The Authority notes that the proposed business model at the Premises is that of an existing Asian supermarket adding a modest liquor area selling a limited range of 25 lines of liquor produced in South Korea via retail sales for consumption off the licensed premises. The Authority further notes that the applicant identifies the benefit of convenience of one-stop shop for customers of the existing Asian supermarket, as well as meeting the demands and expectations of the local community.

## ***Stakeholder submissions***

21. The Authority has had regard to the submission from Police objecting to the Application on the basis of license density and the location of the Premises in an alcohol-related crime hotspot. The Authority also noted that Police recommended a series of conditions to be imposed on the licence should the licence were to be approved.
22. The Authority has also had regard to the Applicant's submission in response which noted the Applicant's correspondence and meeting with Police. The Authority notes the Applicant agreed to the conditions recommended by Police.
23. The Authority has had regard to the submissions from the residents of the building in which the Premises is located, concerning the improper use of the driveway.
24. The Authority has also had regard to the Applicant's submission in response, which noted that the concerns were resolved through inclusions in the Plan of Management.
25. The Authority has had regard to the submission from the local church stating that it has no objection to the application.

## ***Mitigating factors***

26. Having regard to the relevant statistics and the submissions received, including the Applicant's reply submissions, the Authority finds that Parramatta has a licence density that is above the state average and is subject to a slightly higher than average incidence of alcohol-related domestic assault, and that there are some alcohol-related health issues in the broader community.
27. The Authority considers that, if the Licence is granted, there is a risk that the liquor sold at the Premises would exacerbate the existing alcohol-related problems in the community and, over time, contribute to an increase in alcohol-related crime, health and other social and amenity issues in the local and broader communities.
28. The Authority is nevertheless satisfied that the risk is sufficiently mitigated by the following:
- a) relatively small size of the area in which liquor will be sold or supplied
  - b) harm minimisation measures set out in the plan of management and licence conditions as set out in Schedule 1

## **CONCLUSION**

29. Having considered the positive and negative social impacts that are likely to flow from granting the Licence, the Authority is satisfied that the overall social impact of granting the Licence would not be detrimental to the well-being of the local and broader communities.
30. The Authority is also satisfied that the other legislative criteria for the granting of the Licence have been met.
31. Accordingly, the Authority has decided to grant the Licence under section 45 of the Act.

  - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or
  - (c) an individual who is a controlled member of a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012.

**Note.** Controlled members are prohibited from applying for licences—see section 27 of the Crimes (Criminal Organisations Control) Act 2012.

- (4) An application for a licence must:
  - (a) be in the form and manner approved by the Authority, and
  - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
  - (c) be advertised in accordance with the regulations, and
  - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

**Note.** See also section 48 which requires a community impact statement to be provided with certain licence applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

#### 45 Decision of Authority in relation to licence applications

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that:
  - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
  - (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and
  - (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

**Note.** Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3) (a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:
  - (a) that the person:
    - (i) is a member of, or
    - (ii) is a close associate of, or
    - (iii) regularly associates with one or more members of,a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and

- (b) that the nature and circumstances of the person's relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.
- (5A) Without limiting subsection (3) (a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant:
  - (a) is of good repute, having regard to character, honesty and integrity, and
  - (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.

#### 48 Community impact

- (1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:
  - (a) the views of the local community, and

  - (b) the application is made in respect of club premises that have unrestricted trading hours in accordance with clause 94 of Schedule 2 to the Registered Clubs Act 1976.
- (4) The community impact statement must:
  - (a) be prepared in accordance with the regulations and any requirements of the Authority, and

- (b) be in the form approved by the Authority.
- (5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to:
  - (a) the community impact statement provided with the application, and
  - (b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.
- (6) The regulations may make provision for or with respect to the following:
  - (a) the requirements that must be satisfied in relation to the preparation of a community impact statement (including consultation requirements),
