Under delegation issued by the Independent Liquor and Gaming Authority under section 13 of the *Gaming and Liquor Administration Act 2007*, **an authorised person** of Liquor & Gaming NSW, has **considered** the application:
small bar Liquor Licence – Paradise Bar

I have determined to approve the application under the *Liquor Act 2007* (Act) — with the conditions set out in Schedule 1.

Statement of reasons

Having reviewed all the material, I am satisfied under section 48(3) of the Act that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Main findings

Impacted communities

For the purposes of this decision the local community is the suburb of POTTS POINT. The broader community is the Local Government Area (LGA) of City of Sydney.

Analysis of Submissions and statutory requirements

1. Appropriate consent is in place for the use of the premises for use as a small bar at the venue.
2. Council advised that they have no objection to the application.
3. Police advised that they have no objection to the application.
4. One public submission with concerns regarding excessive noise from internal speakers has been addressed by the applicant with additional measures incorporated into the venue plan of management
5. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
6. I am satisfied that all other statutory requirements have been met.

Positive social impacts

I am satisfied that the proposal will positively impact both the local and broader communities. It will offer a contemporary and welcoming atmosphere where food and alcohol are available, enhancing social and dining experiences. The venue will serve as a community hub, encouraging public gatherings and social interaction. Overall, it supports local engagement while also attracting a wider audience, contributing to community vibrancy and connectivity.

Negative social impacts

I accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities.

I am satisfied that the business model, conditions imposed, and any other information contained in the application will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

In particular, the Plan of Management and licence conditions will serve to mitigate any potential negative impacts.

The material that was considered

I considered the following material when making a decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- stakeholder submissions and the applicant's response to them.

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
