**Determination of a potential first strike offence in relation to
Mr Simon Usalj, the approved manager of Henrys Cronulla**

On 2 November 2018, Mr John Coady, Manager Compliance, Liquor & Gaming NSW (L&GNSW) submitted to the Independent Liquor and Gaming Authority (Authority) notification that the approved manager, Mr Simon Usalj (Approved Manager) of Henrys Cronulla had committed a prescribed offence and potentially incurred a first strike (Notification).

The Authority, based on the information before it, is satisfied that the Approved Manager committed the prescribed offence of *'licensee/employee/agent sell/supply liquor contravene licence'* and has decided to impose a first strike against the Approved Manager in accordance with section 144E of the *Liquor Act 2007* (Act).

The first strike will commence from 16 March 2019 and will expire on 16 March 2022.

STATEMENT OF REASONS

Decision

1. On 2 November 2018, Mr John Coady, Manager Compliance, Liquor & Gaming NSW (L&GNSW) submitted to the Authority a notification that the approved manager, Mr Simon Usalj (Approved Manager) of Henrys Cronulla (Premises) had committed a prescribed offence (Notification).
2. The Notification included evidence that NSW Police (Police) issued the Approved Manager a Penalty Notice (PN) for the prescribed offence (Offence) of *'licensee/employee/agent sell/supply liquor contravene licence'* in relation to an incident that occurred at the Premises on 1 September 2018.
3. The Notification also included evidence, by way of Revenue NSW data, that the penalty notice was paid on 19 October 2018.
4. The Authority is satisfied that the Approved Manager has committed a prescribed offence and there are no other strikes in force against him.
5. In accordance with section 144E of the *Liquor Act 2007* (Act), the Authority has decided to impose a first strike against the Approved Manager.
6. In reaching its decision, the Authority has had regard to the material before it, the legislative provisions under sections 3, 144B, 144C, 144E, 144F, 144G, 144H, 144M of the Act and Liquor Regulation 2018 (Regulation).
7. The first strike will commence from 16 March 2019 and will expire on 16 March 2022.

Material considered by the Authority

8. The Authority has considered the Notification and all submissions received in relation to the Notification.
9. The Authority is satisfied that procedural fairness was afforded to the Approved Manager and interested parties regarding this decision, as all parties required to be notified were provided with the opportunity to make submissions.
10. A list of the material considered by the Authority in making this decision is set out in Schedule A at the end of this statement of reasons.

Legislative framework

11. The Authority has considered the Notification in the context of the relevant legislative provisions as set out in Schedule B.

Key findings

12. The Authority is satisfied that at the time of the Offence, based on the liquor licence document provided in the Notification, Mr Usalj was the Approved Manager of Henrys Cronulla.
13. The Authority accepts Police's account of the Offence contained in Computerised Operational Policing System (COPS) event report (number 348812293) which records the following information:
 - a. On 1 September 2018 at 11:30pm, Police attended the Premises to conduct a routine inspection. Upon arrival, Police observed that the outdoor dining area was open and being utilised by six female patrons seated in the outdoor dining area consuming liquor. Police sighted a number of cocktails on the table.

- b. The primary service authorisation permits consumption on premises in the outdoor area from 10:00am each day till 9:30pm, except on Friday and Saturday where consumption is permitted until 10:30pm.
 - c. Police also noted that the manager on duty was unable to produce a copy of the liquor licence for the Premises upon request.
14. The Authority acknowledges L&GNSW's submission that a disregard to authorised trading hours subverts the ability of L&GNSW or Police to provide proper regulatory oversight and may also hamper the ability of emergency services in responding to an incident should one occur.
 15. The Authority accepts the L&GNSW submission that trading hours are a fundamental tenet of a liquor licence and are a basic harm minimisation measure.
 16. The Authority notes the Approved Manager's submission that he has had an extensive involvement in the hospitality industry and claims to have a 'clean record.'
 17. The Authority acknowledges Police's submission which states that the Approved Manager has been issued with two compliance notices for failing to comply with the authorised outdoor trading hours on 1 April 2016 and 31 December 2016.
 18. The Authority acknowledges the Approved Manager's submission that he was not present on the night of the Offence, however notes that he is still vicariously liable for the actions of those employed at the Premises under section 149 of the Act.
 19. The Authority has considered the Approved Manager's contention that the strike should be issued against the Corporate Licensee should it be determined that a strike be imposed. Pursuant to section 144E(1)(a) of the Act, a strike can only be incurred by a person who is the licensee or manager of licensed premises if the person commits a prescribed offence. The Authority, based on the material before it, is not satisfied that the Corporate Licensee committed a prescribed offence under section 144C(1)(b) of the Act.

Incurring a first strike

20. Under section 144E of the Act, the Authority, when determining whether a first strike should be incurred against a licensee or approved manager, must be satisfied that:
 - a. the person has committed a prescribed offence, and
 - b. there is currently no other strike in force against them, and
 - c. the seriousness of any harm that may have resulted from or been associated with the commission of the offence warrants a first strike being imposed.
21. In accordance with section 144C of the Act, a person commits a prescribed offence if an amount is paid under a penalty notice in respect of an offence.
22. Based on the material before it, the Authority notes that the Approved Manager was issued a PN for the prescribed offence of *'licensee/employee/agent sell/supply liquor contravene licence'* on 1 September 2018.
23. The Authority acknowledges that the PN issued to the Approved Manager was paid in the Revenue NSW penalty notice system on 19 October 2018, which triggered consideration of whether a first strike should be incurred against the Approved Manager.
24. The Authority is satisfied that the Approved Manager has committed a prescribed offence pursuant to section 144C of the Act. This finding is made based on the Revenue NSW

evidence provided in the Notification, which confirms the PN was finalised paid on 19 October 2018.

25. The Authority, based on the material before it, is also satisfied there is no evidence suggesting any other strike is currently in force against the Approved Manager.
26. The Authority considers trading hours to be a fundamental responsibility of a liquor licence holder and a basic harm minimisation measure which, on this occasion, warrants the imposition of a first strike against the Approved Manager.

Statutory considerations under section 144M(1)(c) of the Act

The Authority is satisfied:

- (i) Based on Schedule 4 of the Act, the Premises is not a declared premises.
- (ii) On the basis of the material provided by L&GNSW, there is no evidence to suggest the venue size and patron capacity at the time hindered the Approved Manager's ability to prevent the prescribed offence from occurring.
- (iii) On the basis of the material provided by L&GNSW, the Approved Manager has no history of committing prescribed offences.
- (iv) On the basis of the submission made by L&GNSW, the licensed premises does not have a history of violent incidents.
- (v) On the basis of the submission made by L&GNSW, other action in the form of conditions or training is not warranted on this occasion as it was not a lack of training or understanding that caused the offence.
- (vi) On the basis of the submission made by L&GNSW, there have not been any changes to the licence for Henrys Cronulla.
- (vii) On the basis of the submission provided by the Approved Manager, all management and staff have been instructed in relation to the service for the outdoor area of the Premises finishing at 9:30pm to prevent the repeated commission of the prescribed offence.
- (viii) On the basis of the material provided by L&GNSW, there are no other matters prescribed by the Regulation the Authority is required to consider.

Conclusion

27. Having regard to the material before it, the Authority is satisfied that the Approved Manager has committed a prescribed offence and there are no other strikes in force against him.
28. Accordingly, the Authority has decided to impose a first strike against Mr Usalj under section 144E of the Act.
29. The first strike will commence from 16 March 2019 and will expire on 16 March 2022.

Yours faithfully
