STATEMENT OF REASONS

DECISION

1. On 9 April 2021, Jose Manuel Pestana (“Applicant”) lodged with Liquor & Gaming NSW (“L&GNSW”), for determination by the Independent Liquor & Gaming Authority (“Authority”), an application (“Application”) for an amended Hotel licence (“Licence”) for the premises at 2-4 Main Rd, Boolaroo NSW 2284 (“Premises”) trading as the Commercial Hotel – LIQH400117229.
2. The Authority first considered the Application at its meeting on 11 August 2021 and 13 October 2021 and, following the receipt and consideration of further requested information, decided on 15 November 2021 to grant the Licence under section 11A, 49 and 94 of the *Liquor Act 2007* (“Act”).
3. In reaching this decision, the Authority has had regard to the relevant material before it and the legislative requirements under the Act and the Liquor Regulation 2018.
4. A preliminary notification of this decision was sent to the Applicant on 17 November 2021, together with the licence document for the Premises.

MATERIAL CONSIDERED BY THE AUTHORITY

5. The Authority has considered the Application, the accompanying community impact statement (“CIS”), and all submissions received in relation to the Application.
6. The Authority is satisfied that procedural fairness was afforded to the Applicant and interested parties regarding this decision, as all parties required to be notified of the Application were provided with the opportunity to make submissions.
7. In accordance with its *Guideline 6*, the Authority has also had regard to relevant L&GNSW liquor licensing records and data published by Bureau of Crime Statistics and Research (“BOCSAR”), NSW Department of Health, and Australian Bureau of Statistics (“ABS”).
8. A list of the material considered by the Authority is set out in Schedule 2.

LEGISLATIVE FRAMEWORK

9. The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:
 - a) Section 3: Statutory objects of the Act and relevant considerations.
 - b) Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold.
 - c) Sections 14, 15, 15A and 17: Specific provisions in respect of a hotel licence.
 - d) Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
 - e) Section 44: Submissions to Authority in relation to licence applications.
 - f) Section 45: Criteria for granting a liquor licence.
 - g) Section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community.
 - h) Section 49: General provisions in respect of ETAs.
 - i) Section 51: General provisions relating to licence-related authorisations.
 - j) Section 121: Minors in hotels in company of responsible adult.

10. An extract of these sections is set out in Schedule 3.
11. The Authority has also had regard to its Guideline 6 in considering the overall social impact of approving the application pursuant to section 48 of the Act.

KEY FINDINGS

12. Having regard to the information before it and relevant legislative requirements, the Authority makes the following findings in relation to the Application.

Validity, procedural and trading hour requirements

13. The Authority is satisfied on the material before it that:
 - a) the Application has been validly made and meets the procedural requirements under sections 40 and 51 of the Act, and
 - b) the proposed trading hours for the Premises meet the requirements under sections 11A, 12 and 14 of the Act in respect of trading and 6-hour closure periods.
14. Pursuant to section 48 of the Act, the Authority finds that the CIS submitted with the Application was prepared in accordance with the relevant requirements.

Fit and proper person, responsible service of alcohol, and development consent requirements

15. Pursuant to section 45 of the Act, the Authority is also satisfied that:
 - a) the Applicant is a fit and proper person to carry on the business to which the proposed licence relates, given that no concerns regarding the Applicant's probity were raised upon consultation with relevant law enforcement agencies,
 - b) practices would be in place from the commencement of licensed trading at the Premises to facilitate the responsible serving of alcohol, having regard to the plan of management documentation for the Premises and the conditions to be imposed on the licence, and
 - c) the requisite development consent is in force, based on the DA/1258/2019 in respect of the Premises, issued by Lake Macquarie City Council on 19 January 2021.

Community impact

Local and broader communities

16. For the purpose of this decision and consistent with its position in *Guideline 6*, the Authority is satisfied that the relevant "local community" is the community within the suburb of Boolaroo, and the relevant "broader community" comprises the Local Government Area ("LGA") of Lake Macquarie LGA.

Licence density

17. The Authority notes that, compared to the NSW state average:
 - a) Boolaroo suburb has a **higher** and Lake Macquarie LGA has a **lower** saturation of licences authorised to sell packaged liquor (this includes packaged liquor, club and hotel licences)
 - b) Boolaroo suburb and Lake Macquarie LGA have a **lower** clustering of licences authorised to sell packaged liquor (this includes packaged liquor, club and hotel licences).

Crime data

18. The relevant BOCSAR data indicates that, in the year to March 2021:

- a) the Premises was located in close proximity to hotspots for incidents of alcohol related domestic assault and malicious damage to property, in areas that are likely to be serviced by the Licence
- b) Boolaroo suburb rates of Alcohol related offences were not calculated compared to the NSW state average as BOCSAR does not calculate rates of crime per 100,000 people for suburbs that have populations of less than 2,000 people. However, the count for the suburb does not indicate any troubling trends.
- c) Lake Macquarie LGA recorded slightly **lower** rates of Alcohol related domestic and **higher** rates of Alcohol related non-domestic violence, compared to the NSW state average. The LGA's rate of alcohol-related offence conduct is significantly lower and the rate of malicious damage somewhat elevated, when compared to the NSW average.

Alcohol-related health data

19. The most recent HealthStats NSW data available at the time of the Authority's decision indicates that Lake Macquarie LGA recorded a **higher** than average level of alcohol-attributable deaths for the period 2015/2016 – 2017/2018, and a **lower** than average level of alcohol-attributable hospitalisations for the period 2015/2016 – 2017/2018.

SEIFA

20. The Authority notes that ABS Socio-Economic Index for Areas ("SEIFA") data as at 2016 indicates that Boolaroo suburb and Lake Macquarie LGA were relatively disadvantaged and advantaged respectively, compared to other suburbs and LGAs in NSW.

Purported benefits

21. The Authority has had regard to the Applicant's purported benefits, including that:
- a) The Hotel has a significantly high volume of breakfast trade proliferated by the large number of construction workers within the community and that reside at the Hotel.
 - b) The continued business model of providing breakfast services from 5:00 AM will meet the current demand of customers.
 - c) The extended trading hours would ensure positive contributions both economically and socially by way of further employment opportunities for new and existing staff
 - d) The improved revenue will benefit the Hotel and allow the ability to provide customers with a modern licenced venue while maintaining the Hotel's historic value.

Stakeholder submissions

22. The Authority has had regard to the submissions from:
- a) **NSW Police Force**, which notes that there were no objections to the application.
 - b) **L&GNSW Compliance**, which notes that there were no objections or relevant data on the hotel as there was an absence of noncompliance.
 - c) **Lake Macquarie City Council**, which notes that there were no objections to the granting of the ETA given the approval of the council to grant the development application.
 - d) **Public submissions**, which notes that in granting the application there were concerns regarding the extended trading hours adding to further disturbances in the area. There were also concerns raised around traffic and parking condition in the area during the peak of the school operating hours would cause the potential for harm to occur when patrons of the venue return to their vehicles.

23. The Authority has also had regard to the Applicant's submission in response which noted the following:

- The Hotel is not situated in a hotspot for domestic or non-domestic assaults.
- Alcohol-related crime is not a significant issue in the Local Community, when compared to the NSW average.
- The strict compliance of the Hotel with the Plan of Management, and that the Hotel has not contributed to alcohol related crime in the local community.
- The Hotel will adopt harm minimisation strategies to assist patrons with potential problem gambling that may arise from the extended gaming trade and noted the lack of self-excluded patrons or gambling related incidents.

Findings of concern

24. The Authority notes that there may be a risk that if the Licence were to be granted, liquor sold at/from the Premises will, over time, contribute to an increase in alcohol-related crime, health and other social and amenity issues in the local and broader communities, and in other areas of the State.

Mitigating factors

25. The Authority is nevertheless satisfied that the risk is sufficiently mitigated by the following:

- a) crime rates in the LGA for all alcohol-related offences normally considered by the Authority being at or lower than the comparable NSW averages.
- b) absence of any objections from agency stakeholders.
- c) only one public objection.
- d) no history of compliance breaches relating to the Hotel licence.

CONCLUSION

26. Having considered the positive and negative social impacts that are likely to flow from granting the amendment to the Hotel licence and ETA, the Authority is satisfied that the overall social impact of granting the amended Hotel licence and ETA would not be detrimental to the well-being of the local and broader communities.

27. The Authority is also satisfied that the other legislative criteria for the granting of the amended Hotel licence and ETA have been met.

28. Accordingly, the Authority has decided to grant the amendment to the Hotel licence and ETA under sections 11A, 49 and 94 of the Act.

15 Hotel licence—general provisions

- (1) The following provisions apply in relation to a hotel licence (*the hotel primary purpose test*)—
- (a) except as provided by section 15A, the primary purpose of the business carried out on the licensed premises must at all times be the sale of liquor by retail,
 - (b) the keeping or operation of gaming machines (as authorised under the *Gaming Machines Act 2001*) on the licensed premises must not detract unduly from the character of the hotel or from the enjoyment of persons using the hotel otherwise than for the purposes of gambling.
- (2) The authorisation conferred by a hotel licence does not apply unless the hotel primary purpose test is complied with in relation to the licensed premises.
- (3) Any premises (other than the actual hotel) that are authorised by the Authority for the sale of liquor under a hotel licence are, for the purposes of this Act, taken to be part of the licensed premises to which the licence relates.

15A Cessation of liquor sales during trading hours

- (1) **Extended trading periods** A hotelier may, at any time during the period that an extended trading authorisation is in force in relation to the licensed premises—
- a. cease to sell or supply liquor on the licensed premises, and
 - b. continue to provide, or make available, other services and facilities on the licensed premises (such as food and non-alcoholic beverages, entertainment and the use of the premises for conferences or meetings and for gambling activities that are otherwise permitted on the premises).
- (2) **Authority may approve of cessation of liquor sales during standard trading period** A hotelier may, at any time during the standard trading period—
- a. cease to sell or supply liquor on the licensed premises, and
 - b. continue to provide, or make available, other services and facilities on the licensed premises (such as food and non-alcoholic beverages, entertainment and the use of the premises for conferences or meetings and for gambling activities that are otherwise permitted on the premises), but only with the approval of the Authority.
- (3) An application for the approval of the Authority under subsection (2) may be made by the hotelier concerned. Any such application must be accompanied by the fee prescribed by the regulations.
- (4) The Authority may give its approval only if it is satisfied that—
- a. the operation of gaming machines on the licensed premises during the period to which the approval relates will not detract unduly from the character of the hotel, and
 - b. gambling activities on the licensed premises will be conducted in a responsible manner.
- (5) **Cessation of liquor sales during standard trading period without gambling activities** A hotelier may, at any time during the standard trading period—
- (a) cease to sell or supply liquor on the licensed premises, and
 - (b) continue to provide, or make available, other services and facilities on the licensed premises (such as food and non-alcoholic beverages, entertainment and the use of the premises for conferences or meetings).
- However, it is a condition of the licence that the licensed premises must not be used for the purposes of any gambling activities during any such time that liquor is not being sold or supplied unless an approval is in force under subsection (2) in relation to the licensed premises.

16 Hotel licence may be designated as a general bar licence

- (1) The Authority may, in granting a hotel licence, designate the licence as a general bar licence and specify in the licence that it is a general bar licence.
- (2) The designation of a hotel licence as a general bar licence cannot be changed.
- (3) It is not lawful to keep or operate gaming machines on the premises to which a general bar licence relates. Accordingly, the keeping or operation of gaming machines on any such premises cannot be authorised under the *Gaming Machines Act 2001*.
- (4) Despite section 14, a general bar licence does not authorise the sale or supply of liquor for consumption away from the licensed premises at any time.

17 Hotel licence—miscellaneous conditions

- (1) **Cash advances prohibited** A hotelier must not—
- (a) provide a cash advance in the hotel, or
 - (b) permit a cash advance to be provided in the hotel on behalf of the hotelier, except as a prize or bonus won as a direct or indirect consequence of participating in a form of gambling that may lawfully be conducted on the licensed premises.
- (2) **Hotels must be open to general public** The business carried out under a hotel licence must not be, or include, a business that is limited to the sale or supply of liquor only—
- (a) to persons who have been invited to use or attend the hotel, or

(b) to a particular class, or particular classes, of persons using or attending the hotel.

(2A) To avoid doubt, subsection (2)—

- (a) does not prevent a hotel being closed to the general public because it has been booked for a private function including, for example, a wedding or party, but
- (b) does not allow it to be closed to the general public for use as a members-only premises or club, or for other exclusive use on a recurrent basis.
- (3) Subsection (2) is subject to such exceptions as may be approved by the Authority on a temporary basis in relation to any particular hotel or to such other exceptions as may be prescribed by the regulations. Also, subsection (2) does not apply to the extent that is necessary to comply with any other provision of this Act or with any other law.
- (4) **Food must be made available** Liquor may only be sold or supplied in a hotel if food of a nature consistent with the responsible sale, supply and service of alcohol is made available whenever liquor is sold or supplied on the premises for consumption on the premises. If any requirements are prescribed by the regulations in relation to the nature of any such food, those requirements must be complied with.
- (5) **Prohibition on residents and employees drinking liquor in bar area outside trading hours** Liquor may not be sold or supplied to, or consumed by, a resident or an employee of the licensee in a bar area of the hotel except at the time when liquor is authorised to be sold or supplied to other persons in that or any other bar area of the hotel. This subsection has effect despite any other provision of this Act, but is subject to subsection (6).
- (6) The Authority may, on application by a hotelier, authorise the use of a bar area of the hotel for the sale, supply or consumption of liquor exclusively to, or by, residents at a time when liquor may not otherwise be sold or supplied in a bar area of the hotel.

Note—

Section 51 applies to an authorisation referred to in this subsection.

40 Licence applications

- (1) Licence applications are to be made to the Authority.
- (2) An application for a licence may be made by:
 - (a) an individual, or
 - (b) a corporation, or
 - (c) in the case of a club licence—a club (or a person on behalf of a club) that meets the requirements specified in section 10 (1) of the Registered Clubs Act 1976.
- (3) An application for a licence may not be made by:
 - (a) an individual who is under the age of 18 years, or
 - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or
 - (c) an individual who is a controlled member of a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012.

Note. Controlled members are prohibited from applying for licences—see section 27 of the Crimes (Criminal Organisations Control) Act 2012.

- (4) An application for a licence must:
 - (a) be in the form and manner approved by the Authority, and
 - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
 - (c) be advertised in accordance with the regulations, and
 - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

Note. See also section 48 which requires a community impact statement to be provided with certain licence applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

44 Submissions to Authority in relation to licence applications

- (1) Any person may, subject to and in accordance with the regulations, make a submission to the Authority in relation to an application for a licence.
- (2) If any such submission is made to the Authority, the Authority is to take the submission into consideration before deciding whether or not to grant the licence.

45 Decision of Authority in relation to licence applications

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.

- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that:
 - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
 - (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and
 - (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

Note. Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3) (a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:
 - (a) that the person:
 - (i) is a member of, or
 - (ii) is a close associate of, or
 - (iii) regularly associates with one or more members of,
 a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and
 - (b) that the nature and circumstances of the person's relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.
- (5A) Without limiting subsection (3) (a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant:
 - (a) is of good repute, having regard to character, honesty and integrity, and
 - (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.
- (7) In deciding whether or not to grant a licence, the Authority must consider whether, if the licence were granted, it would provide employment in, or other opportunities for, any of the following—
 - (a) the live music industry,
 - (b) the arts sector,
 - (c) the tourism sector,
 - (d) the community or cultural sector.

48 Community impact

- (1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:
 - (a) the views of the local community, and
 - (b) the results of any discussions between the applicant and the local community about the issues and concerns that the local community may have in relation to the application.
 - (c) whether the granting of the application would provide employment in, or other opportunities for, any of the following—
 - (i) the live music industry,
 - (ii) the arts sector,
 - (iii) the tourism sector,
 - (iv) community or cultural sector.
- (2) In this section:

relevant application means any of the following:

 - (b) an application under section 59 for approval to remove a hotel licence, club licence, small bar licence or packaged liquor licence to other premises,
 - (c) an application for an extended trading authorisation in relation to a hotel licence, club licence, small bar licence or packaged liquor licence,

- (d) an application for an extended trading authorisation in relation to an on-premises licence (but only if the authorisation will result in trading at any time between midnight and 5 am),
 - (e) an application for an extended trading authorisation in relation to a producer/wholesaler licence (but only if the authorisation will result in retail trading at any time between midnight and 5 am),
 - (f) any particular application (or class of application) that is required by the Authority to be accompanied by a community impact statement,
 - (g) any other application of a kind prescribed by the regulations or made in such circumstances as may be prescribed by the regulations,
- but does not include any application for an extended trading authorisation in relation to a special occasion (as referred to in section 49 (5) (b) or (5A) or 49A (3) (b)).
- (3) A relevant application must be accompanied by a community impact statement.
 - (3A) However, a small bar application is not required to be accompanied by a community impact statement if:
 - (a) development consent is required under the Environmental Planning and Assessment Act 1979 to use the premises to which the application relates as a small bar or to sell liquor during the times to which the application relates, and
 - (b) the local police and the Secretary are, no more than 2 working days after the application for the required development consent, or any variation to that application, is made, notified by the applicant of the making of the application for development consent or of the variation to that application.
 - (3B) For the purposes of subsection (3A), a **small bar application** means any of the following:
 - (a) an application for a small bar licence,
 - (b) an application for approval to remove a small bar licence to other premises,
 - (c) an application for an extended trading authorisation for a small bar,
 - (d) an application to vary an extended trading authorisation for a small bar.
 - (3C) An application (other than an application under clause 39 of Schedule 1) for a small bar licence is not, despite subsection (3), required to be accompanied by a community impact statement if:
 - (a) the application relates to the same premises as the premises to which a general bar licence relates, and
 - (b) development consent has been obtained under the Environmental Planning and Assessment Act 1979 to sell liquor during the times to which the application relates and those times are specified in the development consent.
 - (3D) Despite subsection (3), an application for a multi-occasion extended trading authorisation (as referred to in section 49B) is not required to be accompanied by a community impact statement if:
 - (a) an extended trading authorisation of the kind referred to in section 49 (5) (a) is in force in respect of the licensed premises concerned, or
 - (b) the application is made in respect of club premises that have unrestricted trading hours in accordance with clause 94 of Schedule 2 to the Registered Clubs Act 1976.
 - (4) The community impact statement must:
 - (a) be prepared in accordance with the regulations and any requirements of the Authority, and
 - (b) be in the form approved by the Authority.
 - (5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to:
 - (a) the community impact statement provided with the application, and
 - (a1) any published cumulative impact assessment that applies to the area in which the premises the subject of the application are located, and
 - (b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),

that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.
 - (6) The regulations may make provision for or with respect to the following:
 - (a) the requirements that must be satisfied in relation to the preparation of a community impact statement (including consultation requirements),
 - (b) the matters to be addressed by a community impact statement,
 - (c) the information to be provided in a community impact statement,
 - (d) the criteria for determining the local and broader community for the purposes of a relevant application,
 - (e) any other matter relating to the preparation and content of a community impact statement.
 - (7) Without limiting subsection (6), the regulations may provide that the matters to be addressed by a community impact statement are, in the case of an application for an extended trading authorisation in relation to a hotel

licence, to include matters relating to gambling activities on the licensed premises during the period that the authorisation is proposed to be in force.

or a theatre), be granted to authorise the sale or supply of liquor for consumption on the licensed premises during any of the following periods—

- (a) between 5 am and noon on a restricted trading day,
- (b) between 10 pm and midnight on a restricted trading day,
- (c) between midnight and 5 am on any day immediately following a restricted trading day.

- (8) **Restrictions on granting extended trading authorisation** The Authority must not grant an extended trading authorisation in respect of licensed premises unless the Authority is satisfied that—
- (a) practices are in place, and will remain in place, at the licensed premises that ensure as far as reasonably practicable that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and
 - (b) the extended trading period will not result in the frequent undue disturbance of the quiet and good order of the neighbourhood of the licensed premises.
- (9) For the purposes of this section, a **special occasion** means the occasion of a unique or infrequent event of local, State or national significance that persons independent of the licensee (and of the owner or occupier of the premises) desire to celebrate or mark on the licensed premises concerned.

51 General provisions relating to licence-related authorisations

- (1) This section applies to the following authorisations granted by the Authority under this Act—

- (3) In determining an application for an authorisation, the Authority has the same powers in relation to the application as the Authority has in relation to an application for a licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (4) If, before an application for an authorisation is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including information provided under this subsection), the applicant must immediately notify the Authority of the particulars of the change.

- (8) The Authority may, in granting an authorisation, specify requirements that are to be complied with before the authorisation takes effect. The authorisation does not take effect until such time as any such requirements have been complied with.
- (9) An authorisation—
- (a) is subject to such conditions—

 - (ii) as are imposed by or under this Act or as are prescribed by the regulations, and
 - (b) may be varied or revoked by the Authority on the Authority's own initiative or on application by the licensee, the Secretary or the Commissioner of Police.
- (10) Any such application by a licensee to vary or revoke an authorisation (including any conditions to which the authorisation is subject that have been imposed by the Authority) must be accompanied by the fee prescribed by the regulations.

- (11) For the purposes of this Act, any condition to which an authorisation is subject is taken to be a condition of the licence to which the authorisation relates.
- (12) An authorisation has effect only while all the conditions to which it is subject are being complied with.
- (13) The Authority must not impose a condition on an authorisation, or revoke or vary an authorisation, other than a variation made on application by a licensee, unless the Authority has—
 - (a) given the licensee to whom the authorisation relates a reasonable opportunity to make submissions in relation to the proposed decision, and
 - (b) taken any such submissions into consideration before making the decision.
- (14) This section does not authorise the revocation or variation of a condition to which an authorisation is subject if the condition is imposed by this Act or is prescribed by the regulations.

- (1) The boundaries of licensed premises are to be specified by the Authority when the licence is granted.
- (2) The specified boundaries of any licensed premises may be changed by the Authority on the Authority's own initiative or on the application of—

 - (b) the licensee.
- (3) Before changing the boundaries of any licensed premises (whether on application or otherwise), the Authority is—
 - (a) to give the licensee, the Secretary and the Commissioner of Police a reasonable opportunity to make submissions in relation to the proposed change, and
 - (b) to take any such submissions into consideration before deciding whether to make the change.
- (4) Any change in the specified boundaries of licensed premises under this section does not take effect until such fee as may be prescribed by the regulations has been paid.
- (5) The Authority must not specify or change the boundaries of any licensed premises unless the Authority is of the opinion that any primary purpose requirement under this Act in relation to the licensed premises is or will be complied with.

121 Minors in hotels in company of responsible adult

- (1) The Authority may, on the application by a hotelier, grant an authorisation (***a minors area authorisation***) to enable the use by a minor of a specified part of the hotel while in the company of a responsible adult.

Note—

Section 51 applies to a minors area authorisation.

- (2) The specified part of the hotel to which a minors area authorisation applies may, if the authorisation so provides, comprise the whole of the hotel.
