Application No.	APP-0014767319
Applicant	ADAM RICHARD PARKINSON
Application for	On-premises liquor licence for vessel class
Application date	23 April 2025
Licence name	A-Team
Trading hours	Monday to Sunday 10:00 AM – 12:00 AM
Premises	AH080, Manly Wharf 3, Manly Cove, MANLY, NSW 2095
Legislation	Section 45(1) of the <i>Liquor Act 2007</i>

Under delegation issued by the Independent Liquor and Gaming Authority under section 13 of the *Gaming and Liquor Administration Act 2007*, **an authorised person** of Liquor & Gaming NSW, has **considered** the application: **on-premises liquor licence (Vessel) – A-Team**

I have determined to approve the application under the *Liquor Act 2007* (Act) — with the conditions set out in Schedule 1.

Statement of reasons

Having reviewed all the material, I am satisfied under section 48(3) of the Act that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Main findings

Impacted communities

For the purposes of this decision the local community is the suburb of Manly.

The broader community is the Local Government Area (LGA) of Unincorporated - Sydney Harbour Area.

Analysis of Submissions and statutory requirements

1. Certificate of survey consent is in place for the use of the premises for use as a licensed vessel.
2. Council advised that they have no objection to the application.
3. A Police submission was received and considered as summarised with additional conditions requested.
4. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
5. I am satisfied that all other statutory requirements have been met.

Positive social impacts

I am satisfied that the proposal would benefit the local and broader communities.

The vessel is operating as a deep-sea fishing charter. However, the vessel will also be chartered for other events/functions throughout the year which may include during the Vivid Festival and NYE. The vessel can accommodate thirty passengers and will not operate past midnight.

Negative social impacts

I accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities.

I am satisfied that the business model, conditions imposed, and any other information contained in the application will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

In particular, the Plan of Management and licence conditions will serve to mitigate any potential negative impacts.

The material that was considered

I considered the following material when making a decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- stakeholder submissions and the applicant's response to them.

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

Opportunity for review

The applicant and anyone who was notified of the application and made a submission, may apply to [ILGA](#) for a review of the decision.

An application for review must be made no later 28 days after the decision is published on the website ([ILGA](#)). There is a fee to lodge the application.
