Subject: Submission recommunity views about liquor licenses
Date: Sunday, 9 July 2017 2:45:24 PM

Dear Madam/Sir

Residents and community should always be listened to in regards to the impacts of liquor licenses.

I oppose extended trading hours and a proliferation of liquor licenses, including in relation to "small bars", due to adverse impacts on residential amenity and the community and due to a lack of effective enforcement of compliance.

I especially am opposed to outdoor footway drinking. drinks should be contained so they don't bother women using civil spaces such as the street.
