Statement of reasons

Decision

1. On 23 March 2018, IGA Galston Pty Ltd (“Applicant”) lodged with Liquor & Gaming NSW (“L&GNSW”), for determination by the Independent Liquor and Gaming Authority (“Authority”), an application (“Application”) for a packaged liquor licence (“Licence”) for the premises at 2/350 Galston Road, Galston NSW 2159 (“Premises”).
2. The Authority considered the Application at its meeting on 17 October 2018 and decided to grant the Licence under section 45 of the *Liquor Act 2007* (“Act”).
3. In reaching this decision, the Authority has had regard to the relevant material before it and the legislative requirements under the Act and the Liquor Regulation 2018.

Material considered by the Authority

4. The Authority has considered the Application, the accompanying community impact statement (“CIS”), and all submissions received in relation to the Application.
5. The Authority is satisfied that procedural fairness was afforded to the Applicant and interested parties regarding this decision, as all parties required to be notified of the Application were provided with the opportunity to make submissions.
6. In accordance with its Guideline 6, the Authority has also had regard to relevant L&GNSW liquor licensing records and data published by Bureau of Crime Statistics and Research (“BOCSAR”), NSW Department of Health, and Australian Bureau of Statistics (“ABS”).
7. A list of the material considered by the Authority is set out in Schedule 1.

Legislative framework

8. The Authority has considered the Application in the context of the following provisions of the Act:
 - a) Section 3: Statutory objects of the Act and relevant considerations.
 - b) Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6 hour period during which liquor cannot be sold.
 - c) Sections 29-31: Specific provisions in respect of a packaged liquor licence.
 - d) Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
 - e) Section 45: Criteria for granting a liquor licence.
 - f) Section 48: Requirements in respect of a CIS.
9. An extract of these sections is set out in Schedule 2.

Key findings

10. Having regard to the information before it and relevant legislative requirements, the Authority makes the following findings in relation to the Application.

Validity, procedural and trading hour requirements

11. The Authority is satisfied on the material before it that:
 - a) the Application has been validly made and meets the procedural and trading period requirements under sections 11A, 12 and 40 of the Act,
 - b) if the Licence were to be granted, liquor would be sold and supplied in a separate liquor sales area at the Premises, and in accordance with the authorisation conferred by a packaged liquor licence, as required by sections 29 and 30 of the Act, and

- c) section 31 of the Act does not apply to the Application as the Premises is not intended to operate as is contemplated by the section.

Fit and proper person, responsible service of alcohol, and development consent

12. Pursuant to section 45 of the Act, the Authority is also satisfied that:

- a) the Applicant is a fit and proper person to carry on the business to which the proposed licence relates, given that no concerns regarding the Applicant's probity were raised upon consultation with relevant law enforcement agencies,
- b) practices would be in place from the commencement of licensed trading at the Premises to facilitate the responsible serving of alcohol, having regard to the plan of management documentation for the Premises and the conditions to be imposed on the licence, and
- c) the requisite development consent is in force, based on the Notice to Applicant of Development Application No. DA76/82 in respect of the Premises, issued by Hornsby Council on 8 June 1982.

Community impact statement

13. Pursuant to section 48 of the Act, the Authority finds that the CIS submitted with the Application was prepared in accordance with the relevant requirements. The Authority has taken into consideration the CIS and other available information in making the findings below about the social impact of the Premises on the local and broader communities.
14. For the purpose of this decision and consistent with its position in *Guideline 6*, the Authority is satisfied that the relevant "local community" is the community within the suburb of Galston, and the relevant "broader community" comprises the Local Government Area ("LGA") of Hornsby.

Positive social impacts

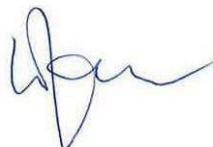

15. The Authority accepts the Applicant's contention that the Premises will provide some level of convenience for members of the local and broader communities who wish to engage in "one-stop" shopping, allowing them to purchase packaged liquor products in conjunction with grocery items.
16. The Authority also accepts that the introduction of this packaged liquor licence will offer increased choice to local residents.
17. Notwithstanding the above, the Authority notes that the increased choice and convenience provided by this additional packaged liquor outlet will be somewhat limited by the fact that the existing packaged liquor licences in Galston are both located within the nearby Galston Shopping Village Complex, which is less than 100 metres away from the Premises.
18. The Authority notes that there were no objections to the Application received from any stakeholders, special interest groups, occupiers of neighbouring residences or any other member of the public. Notably, NSW Police made a submission and did not object to the Application.
19. The Authority considers the proposed benefits of granting the Licence to be somewhat limited by the lack of evident community support for the Application. The only indication of any such support is the fact that no submissions in opposition to the Application were received from the community.
20. Notwithstanding this, having regard to the information available, the Authority is satisfied that granting the Licence is in line with the expectations, needs and aspirations of the community, and will contribute to the balanced and responsible development of the liquor industry.

Negative social impact

21. The Authority notes that, according to BOCSAR Crime Maps for the year to June 2018, the Premises was not located near any hotspots for alcohol-related assault, domestic assault, non-domestic assault or malicious damage to property.
22. The Authority further notes from the crime data for the year to June 2018 that the rates of alcohol-related domestic and non-domestic assault, malicious damage to property and alcohol-related disorderly conduct (offensive conduct) in Galston and the LGA were significantly lower than the corresponding NSW rates.
23. The Authority also notes, from the most recent HealthStats NSW data available at the time of its consideration, that the LGA recorded a lower level of alcohol-attributable deaths and a slightly elevated level of alcohol-attributable hospitalisations compared to the NSW average benchmark.
24. The Authority has had regard to the ABS data indicating that as at 2016, Galston was amongst the most advantaged suburbs, and the Hornsby LGA was amongst the most advantaged Local Government Areas, in NSW on the Index of Relative Socio-economic Advantage and Disadvantage.
25. The Authority also finds that any risk of adverse social impact associated with granting the Licence is adequately mitigated by the following:
 - a) The fact that objective BOCSAR data indicates that the rates of alcohol-related crime are significantly lower than the corresponding NSW rates.
 - b) The Premises will operate during reduced trading hours, closing by 8 PM every day.
 - c) There were no objections from any members of the public or the key stakeholders consulted, including NSW Police Force and NSW Health, in respect of the Application.
 - d) The Applicant has committed to adhering to the harm minimisation measures in the plan of management, and consented to all proposed licence conditions, such as the requirement to operate a CCTV system.
26. On the basis of the above, the Authority finds that the prevailing levels of alcohol-related crime, health and social issues in the local and broader communities, and the socio-economic status of these communities, do not raise immediate concerns.

Overall social impact

27. Having considered the positive and negative social impacts that are likely to flow from granting the Licence, the Authority is satisfied that the overall social impact of granting the Licence would not be detrimental to the well-being of the local and broader communities.
28. The Authority is also satisfied that the other legislative criteria for the granting of the Licence have been met.
29. Accordingly, the Authority has decided to grant the Licence under section 45 of the Act.

(3A) An extended trading authorisation must not authorise the sale after 10 pm on any day of liquor for consumption away from the licensed premises.

(4) Tastings

A packaged liquor licence also authorises the licensee to sell or supply liquor, on the licensed premises and during the trading hours permitted by subsection (1), otherwise than in sealed containers to customers and intending customers for consumption while on the licensed premises, but only for the purposes of tasting.

30 Liquor sales area required if bottle shop is part of another business activity

- (1) If the primary purpose of the business carried out on the premises to which a packaged liquor licence relates is not the sale of liquor for consumption away from the licensed premises, liquor may only be sold under the licence in an area of the licensed premises (**the liquor sales area**) that is adequately separated from those parts of the premises in which other activities are carried out.
- (2) The principal activity carried out in any such liquor sales area must be the sale or supply of liquor for consumption away from the licensed premises.

31 Restrictions on granting packaged liquor licences

- (1) A packaged liquor licence must not be granted for premises that comprise a general store unless the Authority is satisfied that:
 - (a) in the neighbourhood of the premises concerned, no other take-away liquor service is reasonably available to the public, and
 - (b) the grant of the licence would not encourage drink-driving or other liquor-related harm.
- (2) A packaged liquor licence must not be granted for premises comprising a service station or take-away food shop.
- (3) In this section:

general store means a convenience store, mixed business shop, corner shop or milk bar that has a retail floor area of not more than 240 square metres and that is used primarily for the retail sale of groceries or associated small items.

service station means premises that are used primarily for the fuelling of motor vehicles involving the sale by retail of petrol, oil or other petroleum products.

- (2) An application for a licence may be made by:
 - (a) an individual, or
 - (b) a corporation, or
 - (c) in the case of a club licence—a club (or a person on behalf of a club) that meets the requirements specified in section 10 (1) of the Registered Clubs Act 1976.
- (3) An application for a licence may not be made by:
 - (a) an individual who is under the age of 18 years, or
 - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or

Note. See also section 48 which requires a community impact statement to be provided with certain licence applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

45 Decision of Authority in relation to licence applications

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that:
 - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
 - (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and
 - (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

Note. Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3) (a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:

- (5A) Without limiting subsection (3) (a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant:
 - (a) is of good repute, having regard to character, honesty and integrity, and
 - (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.

48 Community impact

- (1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:

 - (b) development consent has been obtained under the Environmental Planning and Assessment Act 1979 to sell liquor during the times to which the application relates and those times are specified in the development consent.
- (3D) Despite subsection (3), an application for a multi-occasion extended trading authorisation (as referred to in section 49B) is not required to be accompanied by a community impact statement if:
 - (a) an extended trading authorisation of the kind referred to in section 49 (5) (a) is in force in respect of the licensed premises concerned, or
 - (b) the application is made in respect of club premises that have unrestricted trading hours in accordance with clause 94 of Schedule 2 to the Registered Clubs Act 1976.
- (4) The community impact statement must:
 - (a) be prepared in accordance with the regulations and any requirements of the Authority, and

- (b) be in the form approved by the Authority.
- (5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to:
- (a) the community impact statement provided with the application, and
 - (b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),
- that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.
- (6) The regulations may make provision for or with respect to the following:
- (a) the requirements that must be satisfied in relation to the preparation of a community impact statement (including consultation requirements),
 - (b) the matters to be addressed by a community impact statement,
 - (c) the information to be provided in a community impact statement,

- (7) Without limiting subsection (6), the regulations may provide that the matters to be addressed by a community impact statement are, in the case of an application for an extended trading authorisation in relation to a hotel licence, to include matters relating to gambling activities on the licensed premises during the period that the authorisation is proposed to be in force.
