Take away liquor sales

Pursuant to section 12 of the *Liquor Act 2007*, the latest time to which the Authority can authorise takeaway liquor sales is 10:00 pm on all trading days.

By the operation of an exemption under clause 117 of the Liquor Regulation 2018, premises authorised to sell liquor for takeaway to 10:00 pm may continue to do so until:

- 12 midnight on any day (other than a Sunday that does not fall on 24 December or 31 December or a restricted trading day), and
- 11:00 pm on Sundays (other than a Sunday that falls on 24 or 31 December or a restricted trading day).

In the circumstances of this application, the Authority considers it appropriate to limit the operation of the clause 117 exemption, by authorising takeaway liquor sales to 9:59 pm on Sundays, and imposing a condition requiring takeaway liquor sales to cease by 11:00 pm, Monday to Saturday.

Please note that the licence cannot be exercised unless and until the Authority or Liquor & Gaming NSW has been notified of the appointment of an approved manager to the licence, or the licence has been transferred to an individual licensee.

Statement of reasons

Decision

1. On 30 September 2019, Liquorland (Australia) Pty. Ltd. ("Applicant") lodged with Liquor & Gaming NSW ("L&GNSW"), for determination by the Independent Liquor & Gaming Authority ("Authority"), an application ("Application") for a packaged liquor licence ("Licence") for the premises at Tenancy 1B, 2-20 Rosenthal Avenue, Lane Cove ("Premises").
2. The Authority considered the Application at its meeting on 12 February 2020 and decided to approve it under section 45 of the *Liquor Act 2007* ("Act").
3. In reaching this decision, the Authority has had regard to the relevant material before it and the legislative requirements under the Act and the Liquor Regulation 2018.
4. Pursuant to section 29(1) of the Act, the Licence authorises liquor to be sold in sealed containers at the Premises for consumption away from the Premises.
5. The licence document was issued to the Applicant with a preliminary notification of this decision on 19 February 2020.

Material considered by the Authority

6. The Authority has considered the Application, the accompanying community impact statement ("CIS"), and all submissions received in relation to the Application.
7. The Authority is satisfied that procedural fairness was afforded to the Applicant and interested parties regarding this decision, as all parties required to be notified of the Application were provided with the opportunity to make submissions.
8. In accordance with its Guideline 6, the Authority has also had regard to relevant L&GNSW liquor licensing records and data published by Bureau of Crime Statistics and Research ("BOCSAR"), NSW Department of Health, and Australian Bureau of Statistics ("ABS").
9. A list of the material considered by the Authority is set out in Schedule 1.

Legislative framework

10. The Authority has considered the Application in the context of the following provisions of the Act:
 - a) Section 3: Statutory objects of the Act and relevant considerations.
 - b) Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold.
 - c) Sections 29-31: Specific provisions in respect of a packaged liquor licence.
 - d) Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
 - e) Section 45: Criteria for granting a liquor licence.
 - f) Section 48: Requirements in respect of a CIS.
11. An extract of these sections is set out in Schedule 2.

Key findings

12. Having regard to the information before it and relevant legislative requirements, the Authority makes the following findings in relation to the Application.

Validity, procedural and trading hour requirements

13. The Authority is satisfied on the material before it that:
 - a) the Application has been validly made and meets the procedural and trading period requirements under sections 11A, 12, 29 and 40 of the Act,

- b) if the Licence were to be granted, liquor would be sold in accordance with the authorisation conferred by a packaged liquor licence, as required by section 29 of the Act, and
- c) sections 30 and 31 of the Act do not apply to the Application as the Premises is not intended to operate as is contemplated by those sections.

Fit and proper person, responsible service of alcohol, and development consent

14. Pursuant to section 45 of the Act, the Authority is also satisfied that:

- a) the Applicant is a fit and proper person to carry on the business to which the proposed licence relates, given that no concerns regarding the Applicant's probity were raised upon consultation with relevant law enforcement agencies,
- b) practices would be in place from the commencement of licensed trading at the Premises to facilitate the responsible serving of alcohol, having regard to the plan of management documentation for the Premises and the conditions to be imposed on the licence, and
- c) the requisite development consent is in force, based on the notice of determination issued by Lane Cove Council on 7 May 2018, approving the modification of development consent DA46/2017 for the Premises.

Community impact statement

15. Pursuant to section 48 of the Act, the Authority finds that the CIS submitted with the Application was prepared in accordance with the relevant requirements. The Authority has taken into consideration the CIS and other available information in making the findings below about the social impact of the Premises on the local and broader communities.
16. For the purposes of this decision and consistent with the Authority's *Guideline 6*, the Authority is satisfied that the relevant "local community" is the community within the suburb of Lane Cove, and the relevant "broader community" comprises the Local Government Area ("LGA") of Lane Cove LGA.

Positive social impacts

17. The Authority notes that the Premises will be situated within the new community development known as The Canopy, which, once completed, will include a park with village green and children's playground, performance stage, restaurant precinct, and two supermarkets.
18. The Authority notes the Applicant's contention that the Premises will "offer full-line convenient, modern and pleasant shopping facilities to service the needs of the local and broader community", and that "[t]he Liquorland brand is well known and has specific appeal to a wide range of customers ...[and] stock[s] a large range of products that are exclusive to businesses owned by Coles."
19. The Authority notes that the Liquorland store will adjoin a Coles supermarket, and considers that granting the Licence would provide a measure of convenience to customers of the Coles supermarket who wish to engage in "one stop shopping" by purchasing liquor items together with grocery and other items from a grocery store in close proximity.
20. The Authority notes that the Applicant has referred to a range of other purported benefits to which less weight has been given, including the operation of the Liquorland loyalty program at the Premises, increased competition, economic benefits and employment opportunities, and "potential" contributions to local community groups and sports.

Negative social impact

21. The Authority notes that, while Lane Cove suburb and Lane Cove LGA both have a higher than average density of packaged liquor licences, these communities have also experienced ongoing population growth in recent years. The Authority notes that the population growth is anticipated to continue given the planned and current major residential developments in the area, and that this would likely result in an increase in the demand for packaged liquor.

22. According to BOCSAR Crime Maps for the year to September 2019, the Premises was located within a high-density hotspot for incidents of malicious damage to property, within a low-density hotspot for incidents of non-domestic assault, and near low-density hotspots for incidents of domestic assault. The Authority notes that there were no hotspots in the suburb of Lane Cove for incidents of alcohol-related assault.
23. The Authority considers, however, that the concerns that such mapping raises are somewhat alleviated by the rates of alcohol-related domestic and non-domestic assault, malicious damage to property and alcohol-related offensive conduct for Lane Cove for that period, which were significantly lower than the corresponding NSW rates.
24. The Authority notes that the rates of alcohol-related domestic and non-domestic assault, malicious damage to property and alcohol-related offensive conduct in Lane Cove LGA were also significantly lower than the corresponding NSW rates for the same period.
25. The Authority has had regard to the most recent HealthStats NSW data available at the time of its decision, which indicates that the Lane Cove LGA recorded a higher than average level of alcohol attributable hospitalisations for the period 2016-18, and lower than average level of alcohol attributable deaths for the period 2016-17.
26. The ABS Census data as at 2016 indicates that the suburb and LGA of Lane Cove ranked amongst the most advantaged suburbs and LGAs in NSW, on the Index of Relative Socio-economic Advantage and Disadvantage.
27. Accordingly, the Authority considers that there are no immediate concerns regarding socio-economic disadvantage in the local or broader communities which may increase vulnerability to alcohol-related harms.
28. The Authority has had regard to the submissions from six local residents/businesses, which raised concerns regarding:
 - a) saturation of packaged liquor outlets in the local community;
 - b) proliferation of cheap/discounted liquor in the local community;
 - c) underage drinking;
 - d) the commercial viability of small independently owned local liquor stores; and
 - e) the conflict of interest arising from Council, who is the landowner, leasing the Premises to a liquor store without community consultation.
29. The Authority has had regard to the Applicant's submission in response, which noted that:
 - a) none of the objectors live in Lane Cove;
 - b) concerns about due process with the development consent and the commercial viability of competitors are not relevant to the liquor licensing process;
 - c) the concerns raised are not supported by any institutional stakeholder or by evidence of alcohol alcohol-related harm in the local community;
 - d) the local community is highly advantaged with low levels of crime; and
 - e) the local population is projected to increase exponentially as a result of new developments.
30. The Authority notes that submissions were also received from NSW Police, Lane Cove Council, L&GNSW Compliance, Communities & Justice, and Roads & Maritime Services, none of which raised any objections to the Application.

31. The Authority notes that NSW Police recommend the imposition of a number of licence conditions, all of which have been consented to and imposed on the Licence.
32. The Authority notes that Roads & Maritime Services proposed measures to help prevent and decrease the likelihood of alcohol involvement in road crashes, which the Applicant has taken into consideration and committed to implementing as appropriate.
33. The Authority considers that the statistics above do not raise a high level of concern in respect of the prevailing level of alcohol related harm experienced in the local or broader community, or the risk of detrimental social impact that may be associated with granting the Licence.
34. The Authority is further satisfied that any risk of detrimental social impact associating with granting the Licence would be adequately mitigated by the imposition of a range of licence conditions and adherence to a Plan of Management to facilitate the responsible sale of liquor at the Premises.

Overall social impact

35. Having considered the positive and negative social impacts that are likely to flow from granting the Licence, the Authority is satisfied that the overall social impact of granting the Licence would not be detrimental to the well-being of the local and broader communities.
36. As all legislative criteria have been met, the Authority has decided to grant the Licence under section 45 of the Act.

 - (c) to contribute to the responsible development of related industries such as the live music, entertainment, tourism and hospitality industries.
- (2) In order to secure the objects of this Act, each person who exercises functions under this Act (including a licensee) is required to have due regard to the following:

- (1) This section applies in relation to:

- (3) Except as provided by subsection (4), the 6-hour closure period for any particular licensed premises is the period that is approved for the time being by the Authority.
- (4) In the case of a licence:
 - (a) granted on or after 30 October 2008 but before the date on which this section (as inserted by the Liquor Legislation Amendment Act 2008) commenced, or

 - (a) the licensed premises are not authorised to stay open for the retail sale of liquor on the premises, and
 - (b) the licensee is not authorised to sell liquor by retail for consumption away from the licensed premises.
- (8) This section has effect despite any other provision of this Act (in particular, those provisions relating to the standard trading period for licensed premises).
- (9) This section does not, however, apply to the sale or supply of liquor to a resident of licensed premises if the liquor is sold or supplied for consumption in the room in which the resident is residing or staying.
- (10) The regulations may also create exceptions to this section.

12 Standard trading period for certain licensed premises

- (1) For the purposes of this Act, the standard trading period means:

 - (i) the period from 10 am to 10 pm, or
 - (ii) if the regulations prescribe a shorter period—the period as so prescribed.
- (1A) Despite subsection (1), the standard trading period for a small bar is the period from noon to midnight on any day of the week.

Note. Small bars are subject to the 6-hour closure period under section 11A.

- (1B) Despite subsection (1) (a), the standard trading period for premises to which this subsection applies ends at 10 pm.

 - (b) if the primary purpose of the business carried on on licensed premises to which a packaged liquor licence relates is not the sale or supply of liquor for consumption away from the licensed premises—the part of the premises that is a liquor sales area (within the meaning of section 30) of the licensed premises,
 - (c) if a hotel licence, club licence, on-premises licence or producer/wholesaler licence authorises the licensee to sell liquor for consumption away from the licensed premises—any part of the licensed premises to the extent that it is used for that purpose.
- (2) Any regulation that prescribes a shorter period for the purposes of subsection (1) may:
- (a) apply to a specified class of licensed premises, and
 - (b) apply in relation to a specified day or days, and
 - (c) in the case of licensed premises on which liquor may be sold or supplied for consumption on the premises as well as for consumption away from the premises—specify different periods for the sale or supply of liquor for consumption on the premises and for the sale or supply of liquor for consumption away from the premises.
- (3) Without limiting subsection (2) (a), a class of licensed premises may be specified by reference to licensed premises that are located in a particular area (however described).

29 Authorisation conferred by packaged liquor licence

(1) Retail sales

A packaged liquor licence authorises the licensee to sell liquor by retail in sealed containers on the licensed premises, for consumption away from the licensed premises only:

- (a) during the standard trading period or such other period as may be authorised by an extended trading authorisation, or
- (b) in the case of any Sunday that falls on 24 December—from 8 am (or such earlier time as may be authorised by an extended trading authorisation) to 10 pm on that day.

(2) No retail trading on restricted trading days

Despite subsection (1), a packaged liquor licence does not authorise the licensee to sell liquor by retail on a restricted trading day.

(3) Selling liquor by wholesale or to employees

A packaged liquor licence also authorises the licensee:

- (a) to sell liquor by wholesale, at any time on the licensed premises, to persons authorised to sell liquor (whether by wholesale or by retail), and
- (b) to sell or supply liquor, at any time on the licensed premises, to the employees of the licensee or of a related corporation of the licensee.

(3A) An extended trading authorisation must not authorise the sale after 10 pm on any day of liquor for consumption away from the licensed premises.

(4) Tastings

A packaged liquor licence also authorises the licensee to sell or supply liquor, on the licensed premises and during the trading hours permitted by subsection (1), otherwise than in sealed containers to customers and intending customers for consumption while on the licensed premises, but only for the purposes of tasting.

30 Liquor sales area required if bottle shop is part of another business activity

- (1) If the primary purpose of the business carried out on the premises to which a packaged liquor licence relates is not the sale of liquor for consumption away from the licensed premises, liquor may only be sold under the licence in an area of the licensed premises (**the liquor sales area**) that is adequately separated from those parts of the premises in which other activities are carried out.
- (2) The principal activity carried out in any such liquor sales area must be the sale or supply of liquor for consumption away from the licensed premises.

31 Restrictions on granting packaged liquor licences

- (1) A packaged liquor licence must not be granted for premises that comprise a general store unless the Authority is satisfied that:
 - (a) in the neighbourhood of the premises concerned, no other take-away liquor service is reasonably available to the public, and
 - (b) the grant of the licence would not encourage drink-driving or other liquor-related harm.
- (2) A packaged liquor licence must not be granted for premises comprising a service station or take-away food shop.
- (3) In this section:

general store means a convenience store, mixed business shop, corner shop or milk bar that has a retail floor area of not more than 240 square metres and that is used primarily for the retail sale of groceries or associated small items.

- (3) An application for a licence may not be made by:
 - (a) an individual who is under the age of 18 years, or
 - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or
 - (c) an individual who is a controlled member of a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012.

Note. Controlled members are prohibited from applying for licences—see section 27 of the Crimes (Criminal Organisations Control) Act 2012.

- (4) An application for a licence must:
 - (a) be in the form and manner approved by the Authority, and
 - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
 - (c) be advertised in accordance with the regulations, and
 - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

Note. See also section 48 which requires a community impact statement to be provided with certain licence applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

45 Decision of Authority in relation to licence applications

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that:
 - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
 - (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and
 - (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

Note. Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3) (a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:
 - (a) that the person:
 - (i) is a member of, or
 - (ii) is a close associate of, or
 - (iii) regularly associates with one or more members of,a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and

- (b) that the nature and circumstances of the person's relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.
- (5A) Without limiting subsection (3) (a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant:
 - (a) is of good repute, having regard to character, honesty and integrity, and
 - (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.

48 Community impact

- (1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:
