Statement of reasons

Decision

1. On 29 December 2017, Liquorland (Australia) Pty Ltd (“Applicant”) lodged with Liquor & Gaming NSW (“L&GNSW”), for determination by the Independent Liquor and Gaming Authority (“Authority”), an application (‘Application’) for a packaged liquor licence (‘Licence’) for the premises at Marina Square, 14 Burroway Road, Wentworth Point, NSW, 2127 (‘Premises’).
2. The Authority considered the Application at its meeting on 13 June 2018 and decided to grant the Licence under section 45 of the *Liquor Act 2007* (“Act”).
3. In reaching this decision, the Authority has had regard to the relevant material before it and the legislative requirements under the Act and the Liquor Regulation 2008.

Material considered by the Authority

4. The Authority has considered the Application, the accompanying community impact statement (“CIS”), and all submissions received in relation to the Application.
5. The Authority is satisfied that procedural fairness was afforded to the Applicant and interested parties regarding this decision, as all parties required to be notified of the Application were provided with the opportunity to make submissions.
6. In accordance with its Guideline 6, the Authority has also had regard to relevant L&GNSW liquor licensing records and data published by Bureau of Crime Statistics and Research (“BOCSAR”), NSW Department of Health, and Australian Bureau of Statistics (“ABS”).
7. A list of the material considered by the Authority is set out in the Schedule.

Legislative framework

8. The Authority has considered the Application in the context of the following provisions of the Act:
 - a) Section 3: Statutory objects of the Act and relevant considerations.
 - b) Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6 hour period during which liquor cannot be sold.
 - c) Sections 29-31: Specific provisions in respect of a packaged liquor licence.
 - d) Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
 - e) Section 45: Criteria for granting a liquor licence.
 - f) Section 48: Requirements in respect of a CIS.
9. An extract of these sections is set out in Schedule 2.

Key findings

10. Having regard to the information before it and relevant legislative requirements, the Authority makes the following findings in relation to the Application.

Validity, procedural and trading hour requirements

11. The Authority is satisfied on the material before it that:
 - g) the Application has been validly made and meets the procedural requirements under section 40 of the Act,
 - h) the proposed trading hours for the Premises meet the requirements under sections 11A and 12 of the Act in respect of trading and 6-hour closure periods,

- i) if the Licence were to be granted, liquor would be sold in accordance with the authorisation conferred by the Licence as required by section 29 of the Act, and
- j) sections 30 and 31 of the Act do not apply to the Application, as the Premises is not intended to operate as is contemplated by the sections.

Fit and proper person, responsible service of alcohol, and development consent

12. Pursuant to section 45 of the Act, the Authority is also satisfied that:
- a) the Applicant is a fit and proper person to carry on the business to which the proposed licence relates, given that no concerns regarding the Applicant's probity were raised upon consultation with relevant law enforcement agencies,
 - b) practices would be in place from the commencement of licensed trading at the Premises to ensure the responsible serving of alcohol, having regard to plan of management documents for the Premises and the conditions to be imposed on the licence, and
 - c) the requisite development consent is in force, based on the development approval in respect of the Premises, issued by Parramatta City Council on 18 October 2016.

Community impact statement

13. Pursuant to section 48 of the Act, the Authority finds that the CIS submitted with the Application was prepared in accordance with the relevant requirements. The Authority has taken into consideration the CIS and other available information in making the findings below about the social impact of the Premises on the local and broader communities.
14. For the purpose of this decision and consistent with its position in *Guideline 6*, the Authority is satisfied that the relevant "local community" is the community within the suburb of Wentworth Point, and the relevant "broader community" comprises the Local Government Area ("LGA") of Parramatta.

Positive social impacts

15. The Authority notes that Wentworth Point and the LGA have a lower than average density of packaged liquor and hotel licences, and accepts that the Premises would provide the community with additional access to packaged liquor.
16. The Authority accepts the Applicant's contention that the Premises will provide the convenience of a one-stop shopping facility for local residents and would enable customers of the supermarket to meet their liquor needs while purchasing grocery and other items.
17. The Authority notes that the Premises will be located within a new commercial, retail and residential development. The Authority accepts the Applicant's contention that the Premises would service the recent and foreseeable major development projects and population growth in the suburb of Wentworth Point.
18. The Authority considers the proposed social benefits above to be somewhat limited by the lack of evident community support for the Application. The only indication of any such support is the fact that there was a lack of submissions in opposition to the Application received from the community.
19. On the basis of the available information, the Authority is satisfied that granting the Licence would be in line with the expectations, needs and aspirations of the community, and contribute to the balanced and responsible development of the liquor industry.

Negative social impacts

20. The Authority has considered the BOCSAR crime hotspot maps data for the year ending December 2017 that the Premises was located within a high density hotspot for domestic assault and a medium density hotspot for malicious damage to property. However, it was not located within any hotspot for non-domestic assault or alcohol-related assault.

21. The Authority also notes the BOCSAR crime data for the year to December 2017, indicating that the local community of Wentworth Point recorded a slightly lower rate per 100,000 persons of population than NSW for incidents of alcohol-related domestic assault, alcohol-related non-domestic assault, malicious damage to property and alcohol-related offensive conduct.
22. Data provided by NSW Health indicates that the rate of alcohol attributable hospitalisations and deaths within the former Auburn LGA (in which the Premises was located during the reportable period) remained below the NSW average for the respective period of 2013-15 and 2012-13.
23. The Authority notes the ABS Socio-Economic Indexes For Areas ("SEIFA") data sourced from the 2016 Census for Wentworth Point and Parramatta LGA on the Index of Relative Socio-economic Advantage and Disadvantage.
24. Wentworth Point ranked in the tenth decile (being the most advantaged) compared to other suburbs in NSW and Parramatta LGA ranked in the ninth decile compared to other LGAs in NSW. The Authority notes that this does not raise immediate concerns about any socio-economic disadvantages in the local or broader community.
25. The Authority accepts that, over time, there is a risk that liquor sold from the Premises may contribute to an increase in alcohol related crime and health issues in the local and broader community. The Authority notes however that the prevailing alcohol related social issues experienced in the local and broader communities are generally at a level below the state average.
26. The Authority also accepts that any risk of adverse social impact associated with granting the Licence is adequately mitigated by the following:
 - a) There were no objections from any members of the public or the key stakeholders consulted, including NSW Police Force and NSW Health, in respect of the Application.
 - b) The Applicant has committed to adhering to the harm minimisation measures in the plan of management, and consented to a number of licence conditions, such as the requirement to operate a CCTV system.
 - c) The Premises will be operated by Liquorland (Australia) Pty Ltd, an experienced national based group that presently operates packaged liquor licence operations across NSW.

Trading hours

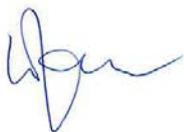

27. The Authority notes from the Application and community consultation material that the trading hours sought for the Premises between Monday and Saturday end at 10 pm.
28. The Authority also notes that if the Premises is authorised to trade until 10 pm, Monday to Saturday, it would in practice be authorised to also trade between 10 pm and 11 pm on those days pursuant to an exemption afforded by clause 70AB of the Regulation.
29. In the current circumstances, the Authority considers it appropriate to impose a closing time of 9:59 pm, Monday to Saturday, to prevent the unintended consequences of permitting the Premises to trade beyond the hours sought by the Applicant and represented to stakeholders, including Council and NSW Police, during the community consultation process.

Overall social impact

30. Having considered the positive and negative social impacts that are likely to flow from granting the Licence, the Authority is satisfied that the overall social impact of granting the Licence would not be detrimental to the well-being of the local and broader communities.

31. The Authority is also satisfied that a decision to grant the Licence would be consistent with the objects of the Act to regulate liquor supply and facilitate responsible industry development in line with community expectations and needs.

32. Accordingly, the Authority has decided to grant the Licence under section 45 of the Act.

29 Authorisation conferred by packaged liquor licence

(1) Retail sales

A packaged liquor licence authorises the licensee to sell liquor by retail in sealed containers on the licensed premises, for consumption away from the licensed premises only:

- (a) during the standard trading period or such other period as may be authorised by an extended trading authorisation, or
- (b) in the case of any Sunday that falls on 24 December—from 8 am (or such earlier time as may be authorised by an extended trading authorisation) to 10 pm on that day.

(2) No retail trading on restricted trading days

Despite subsection (1), a packaged liquor licence does not authorise the licensee to sell liquor by retail on a restricted trading day.

(3) Selling liquor by wholesale or to employees

A packaged liquor licence also authorises the licensee:

- (a) to sell liquor by wholesale, at any time on the licensed premises, to persons authorised to sell liquor (whether by wholesale or by retail), and
 - (b) to sell or supply liquor, at any time on the licensed premises, to the employees of the licensee or of a related corporation of the licensee.
- (3A) An extended trading authorisation must not authorise the sale after 10 pm on any day of liquor for consumption away from the licensed premises.

(4) **Tastings**

A packaged liquor licence also authorises the licensee to sell or supply liquor, on the licensed premises and during the trading hours permitted by subsection (1), otherwise than in sealed containers to customers and intending customers for consumption while on the licensed premises, but only for the purposes of tasting.

30 Liquor sales area required if bottle shop is part of another business activity

- (1) If the primary purpose of the business carried out on the premises to which a packaged liquor licence relates is not the sale of liquor for consumption away from the licensed premises, liquor may only be sold under the licence in an area of the licensed premises (**the liquor sales area**) that is adequately separated from those parts of the premises in which other activities are carried out.
- (2) The principal activity carried out in any such liquor sales area must be the sale or supply of liquor for consumption away from the licensed premises.

31 Restrictions on granting packaged liquor licences

- (1) A packaged liquor licence must not be granted for premises that comprise a general store unless the Authority is satisfied that:
 - (a) in the neighbourhood of the premises concerned, no other take-away liquor service is reasonably available to the public, and
 - (b) the grant of the licence would not encourage drink-driving or other liquor-related harm.
- (2) A packaged liquor licence must not be granted for premises comprising a service station or take-away food shop.
- (3) In this section:

general store means a convenience store, mixed business shop, corner shop or milk bar that has a retail floor area of not more than 240 square metres and that is used primarily for the retail sale of groceries or associated small items.

service station means premises that are used primarily for the fuelling of motor vehicles involving the sale by retail of petrol, oil or other petroleum products.

take-away food shop means premises that are used primarily for the preparation and sale of food for immediate consumption away from the premises (whether or not food is also consumed on the premises).

40 Licence applications

- (1) Licence applications are to be made to the Authority.
- (2) An application for a licence may be made by:
 - (a) an individual, or
 - (b) a corporation, or
 - (c) in the case of a club licence—a club (or a person on behalf of a club) that meets the requirements specified in section 10 (1) of the Registered Clubs Act 1976.
- (3) An application for a licence may not be made by:
 - (a) an individual who is under the age of 18 years, or
 - (b) a person who is disqualified from holding a licence or who holds a suspended licence, or
 - (c) an individual who is a controlled member of a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012.

Note. Controlled members are prohibited from applying for licences—see section 27 of the Crimes (Criminal Organisations Control) Act 2012.

- (4) An application for a licence must:
 - (a) be in the form and manner approved by the Authority, and
 - (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
 - (c) be advertised in accordance with the regulations, and
 - (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

Note. See also section 48 which requires a community impact statement to be provided with certain licence applications.

- (5) If, before an application for a licence is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including any information provided in accordance with this subsection), the applicant must immediately notify the Authority of the particulars of the change.

45 Decision of Authority in relation to licence applications

- (1) The Authority may, after considering an application for a licence and any submissions received by the Authority in relation to the application, grant the licence or refuse to grant the licence. The Authority may determine the application whether or not the Secretary has provided a report in relation to the application.
- (2) The Authority may, in such circumstances as the Authority considers appropriate, treat an application for a licence as having been withdrawn.
- (3) The Authority must not grant a licence unless the Authority is satisfied that:
 - (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and
 - (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and
 - (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

Note. Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

- (4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.
- (5) Without limiting subsection (3) (a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:
 - (a) that the person:
 - (i) is a member of, or
 - (ii) is a close associate of, or
 - (iii) regularly associates with one or more members of,a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and
 - (b) that the nature and circumstances of the person's relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.

- (5A) Without limiting subsection (3) (a), in determining whether an applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, the Authority is to consider whether the applicant:
 - (a) is of good repute, having regard to character, honesty and integrity, and
 - (b) is competent to carry on that business or activity.
- (6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.

48 Community impact

- (1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:
 - (a) the views of the local community, and
 - (b) the results of any discussions between the applicant and the local community about the issues and concerns that the local community may have in relation to the application.

- (2) In this section:

relevant application means any of the following:

- (f) any particular application (or class of application) that is required by the Authority to be accompanied by a community impact statement,
- (g) any other application of a kind prescribed by the regulations or made in such circumstances as may be prescribed by the regulations,

- (3) A relevant application must be accompanied by a community impact statement.
- (3A) However, a small bar application is not required to be accompanied by a community impact statement if:

 - (b) the local police and the Secretary are, no more than 2 working days after the application for the required development consent, or any variation to that application, is made, notified by the applicant of the making of the application for development consent or of the variation to that application.
- (3B) For the purposes of subsection (3A), a **small bar application** means any of the following:

- (3C) An application (other than an application under clause 39 of Schedule 1) for a small bar licence is not, despite subsection (3), required to be accompanied by a community impact statement if:
- (a) the application relates to the same premises as the premises to which a general bar licence relates, and
 - (b) development consent has been obtained under the Environmental Planning and Assessment Act 1979 to sell liquor during the times to which the application relates and those times are specified in the development consent.
- (3D) Despite subsection (3), an application for a multi-occasion extended trading authorisation (as referred to in section 49B) is not required to be accompanied by a community impact statement if:
- (a) an extended trading authorisation of the kind referred to in section 49 (5) (a) is in force in respect of the licensed premises concerned, or
 - (b) the application is made in respect of club premises that have unrestricted trading hours in accordance with clause 94 of Schedule 2 to the Registered Clubs Act 1976.
- (4) The community impact statement must:
- (a) be prepared in accordance with the regulations and any requirements of the Authority, and
 - (b) be in the form approved by the Authority.
- (5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to:
- (a) the community impact statement provided with the application, and
 - (b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),
- that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.
- (6) The regulations may make provision for or with respect to the following:
- (a) the requirements that must be satisfied in relation to the preparation of a community impact statement (including consultation requirements),
 - (b) the matters to be addressed by a community impact statement,
 - (c) the information to be provided in a community impact statement,
 - (d) the criteria for determining the local and broader community for the purposes of a relevant application,
 - (e) any other matter relating to the preparation and content of a community impact statement.
- (7) Without limiting subsection (6), the regulations may provide that the matters to be addressed by a community impact statement are, in the case of an application for an extended trading authorisation in relation to a hotel licence, to include matters relating to gambling activities on the licensed premises during the period that the authorisation is proposed to be in force.
