<b>Applicant</b>	Mr Christopher Merciadetz
<b>Application for</b>	Packaged liquor licence (delivery only)
<b>Licence name</b>	Cork Delivery
<b>Trading hours</b>	Monday to Saturday 10:00 AM – 12:00 midnight Sunday 10:00 AM – 10:00 PM
<b>Premises</b>	10 Longley Place Castle Hill NSW 2154

**Decision of the Independent Liquor & Gaming Authority  
Application for a packaged liquor licence (delivery only) – Cork Delivery**

The Independent Liquor & Gaming Authority considered the application above, and decided on 13 October 2021 to **approve** the application under section 45 of the *Liquor Act 2007*, subject to imposing conditions as set out in Schedule 1.

**Trading on a Sunday that falls on 24 December**

In the case of any Sunday that falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. In accordance with the 6-hour closure period for the current licence, the Premises must not trade earlier than 10:00 am.

**Concise statement of reasons**

A concise statement of reasons for this decision is attached at the end of this letter.

In the interest of efficient finalisation of determined matters in a high-volume liquor and gaming jurisdiction, the Authority will only produce a detailed statement of reasons for applications which are refused, partially approved or the subject of stakeholder objections.

A concise statement of reasons is produced for non-contested applications that have been approved by the Authority, in cases where a statement of reasons is required to be published for the application under section 36C of the *Gaming and Liquor Administration Act 2007*.

The concise statement of reasons briefly sets out the material considered by the Authority, the legislative requirements, and the Authority's key findings.

## Concise statement of reasons

### Key facts

<b>Application No.</b>	APP-0008558184
<b>Applicant</b>	Mr Christopher Merciadetz
<b>Application for</b>	Packaged liquor licence (delivery only)
<b>Licence name</b>	Cork Delivery
<b>Premises</b>	10 Longley Place Castle Hill NSW 2154
<b>Trading hours</b>	Monday to Saturday 10:00 AM – 12:00 midnight Sunday 10:00 AM – 10:00 PM
<b>Application date</b>	1 April 2021
<b>Decision</b>	Approved under section 45 of the <i>Liquor Act 2007</i>
<b>Decision date</b>	13 October 2021

### Material considered by the Authority

The Authority has considered the following material in determining the application:

- Application material, including evidence of notification to specified stakeholders and the community about the application;
- Category A community impact statement;
- Premises plan setting out the proposed boundaries of the licensed premises and any applicable authorisations;
- Plan of management for the licensed business at the premises;
- Development consent for the premises;
- Statistics sourced from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics in respect of the socio-economic status, liquor licence density, alcohol-related crimes rates, and health issues in the relevant local and broader communities; and
- Stakeholder submissions in relation to the application, and the applicant's response to those submissions.

### Legislative requirements

The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:

- Section 3: Statutory objects of the Act and relevant considerations.
- Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold.
- Sections 29: Specific provisions in respect of a packaged liquor licence.
- Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
- Section 44: Submissions to Authority in relation to licence applications.
- Section 45: Criteria for granting a liquor licence.
- Section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other

available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community.

- Sections 114E-114G: Specific provisions relating to same day liquor deliveries.

The Authority has also had regard to its Guideline 6 in considering the overall social impact of approving the application pursuant to section 48 of the Act.

### **Key findings**

In accordance with its Guideline 6, the Authority finds that the relevant local community for the purposes of this decision is the suburb of Castle Hill, and the broader community is the Local Government Area of The Hills Shire.

#### Positive social impacts

The Authority is satisfied on the material before it that the proposal set out in the application, if approved, would likely benefit the local and broader communities through the provision of increased liquor access, choice and convenience.

The Authority noted the Applicant proposes to operate a delivery only packaged liquor business from a home office in Castle Hill, which will offer a same-day delivery service. The Authority further noted that orders will be limited to remote sales only, which will be taken via the internet and via the telephone.

#### Negative social impacts

The Authority notes that there may be a risk that if the Licence were to be granted, liquor sold from the Premises will, over time, contribute to an increase in alcohol-related crime, health and other social and amenity issues within the local and broader community.

The Authority is nevertheless satisfied that these risk factors are sufficiently mitigated by the following:

- lower than average liquor licence density in the local and broader community
- absence of any objections from agency stakeholders or members of the community
- the delivery-only business model and harm minimisation measures set out in the plan of management and licence conditions as set out in Schedule 1.

#### Overall social impacts and conclusion

Having considered the positive and negative social impacts that are likely to flow from the applicant's proposal, the Authority is satisfied that the overall social impact of approving the application will not be detrimental to the well-being of the local or broader community.

The Authority is also satisfied that the other legislative requirements for the approval of the application have been met.

The Authority finds, having regard to the above, that approving the application is consistent with the statutory objects and considerations of the Act to regulate the liquor industry in line with the community's expectations, needs and aspirations, and facilitate the balanced and responsible development of the liquor industry and related industries.

Accordingly, the Authority approves the application under section 45 of the Act.
