## **Overall social impact**

#### 1. Positive benefits

The licensee may host a variety of events. The permanent on premises catering service with the sale on other premises authorisation will negate the requirement to apply for limited licences for any given event. A suite of conditions imposed on the licence will ensure that; notification timeframes and function specific plan of managements will be in place, depending on the proposed patron capacity. Responsible Service of Alcohol guidelines and measures will be in place.

## 2. Mitigation of potential negative impacts

I am satisfied that the granting of the liquor licence, with the conditions imposed, will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

- 4. Consistent with section 45(3)(c) of the Act requiring development consent from the local council, I am satisfied that the required development consent or approval is in force.
