Manager
Liquor and Gaming NSW
Department of Enterprise, Investment and Trade
Delegate of the Independent Liquor & Gaming Authority

STATEMENT OF REASONS

Analysis of application requirements

1. A current certificate of survey confirms that the vessel is seaworthy.
2. Council advised that they have no objection to the liquor licence.
3. A Police submission was received and considered as summarised at **submission analysis** below.
4. No public submissions were received relating to any issues with the application.
5. I am satisfied that the statutory advertising requirements have been met.
6. Having reviewed all the material, I am satisfied that granting this application for a Liquor on-premises licence – Vessel will not be detrimental to the local or broader community.

Overall social impact

1. Positive benefits

The granting of the licence will enable the licensee to hire an exclusive super yacht to both private and corporate clients. The charters are for hour/day and also multiple days in length.

2. Mitigation of potential negative impacts

I am satisfied that the granting of the liquor licence, with the conditions imposed, will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

Conclusion

1. I am satisfied that procedural fairness was afforded to the applicant and interested parties regarding the decision whether to grant the application. All of those required to be notified of the application were provided with the opportunity to make written submissions and all submissions received were considered and helped inform this decision. The decision was made by the delegate having reviewed the application statement, business model and risk analysis, stakeholder submissions and other relevant material.
2. In accordance with section 45(3)(a) of the Act I am satisfied that the proposed licensee is a fit and proper person to carry on the business or activity to which the proposed licence relates.
3. Having considered the venue management plan and related material, under section 45(3)(b) of the Act, I am satisfied that practices will be in place at the premises as soon as the licence is granted that ensure, as far as reasonably practicable, that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place.
4. Consistent with section 45(3)(c) of the Act requiring development consent from the local council, I am satisfied that the required development consent or approval is in force.
5. In making this decision under delegation from of the Authority, all statutory objects and considerations prescribed by section 3 of the Act were considered and accordingly, I have determined to grant the liquor licence application with conditions as set out at Schedule 1.

Relevant extracts from the Liquor Act 2007

Legislative framework, statutory objects and considerations

In determining the application, the delegate has considered relevant provisions of the Act, including the objects and considerations that are prescribed by section 3, which state:

1. The objects of this Act are as follows:
 - a. to regulate and control the sale, supply and consumption of liquor in a way that is consistent with the expectations, needs and aspirations of the community,
 - b. to facilitate the balanced development, in the public interest, of the liquor industry, through a flexible and practical regulatory system with minimal formality and technicality,
 - c. to contribute to the responsible development of related industries such as the live music, entertainment, tourism and hospitality industries.
2. In order to secure the objects of this Act, each person who exercises functions under this Act (including a licensee) is required to have due regard to the following:
 - a. the need to minimise harm associated with misuse and abuse of liquor (including the harm arising from violence and other anti-social behaviour),
 - b. the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor,

- c. the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity of community life,
- d. the need to support employment and other opportunities in the—
 - i. live music industry, and
 - ii. arts, tourism, community and cultural sectors.

Statutory tests

1. In determining an application for a licence, under section 45(3) of the Liquor Act 2007, the delegate must also be satisfied that:
 - a. the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates,
 - b. practices will be in place as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises and that those practices will remain in place, and
 - c. if development consent is required under the *Environmental Planning and Assessment Act 1979* (or approval under Part 4 Division 4.1 or Part 5.1 of that Act is required), to use the premises for the purposes of the business or activity to which the proposed licence relates – that development consent or approval is in force.
 - d. the proposed approved manager/licensee has completed the relevant tiered industry training as per legislative requirements.

Community impact test

Under section 48(5) of the Liquor Act 2007, the delegate must not grant a licence, authorisation or approval of a kind prescribed by section 48(2) of the Act unless the Authority is satisfied, having regards to the Community Impact Statement, where required, and any other matter the delegate is made aware of during the application process, that the overall impact of the licence, authorisation or approval in question being granted will not be detrimental to the local or broader community.

The test applying under section 48(5) relates to delegated decisions in relation to:

- a. the grant or removal of a small bar licence (where required),
- b. a packaged liquor licence (limited to telephone/internet sales),
- c. an application for extended trading hours to permit the sale of liquor after midnight in relation to a small bar (where required), an on-premises relating to a restaurant that includes an application for a primary service authorisation, an on-premises licence relating to a karaoke bar, a catering service or a vessel, and an application for a producer/wholesaler licence that includes an application for a drink on premises authorisation.

The Community Impact Statement provides the Authority with information about the views of relevant stakeholders and other aspects of the local community in which the proposed licensed premises is to be located. This includes, for example, the proximity of the licensed premises to hospitals or health facilities, nursing homes, schools and places of worship.

Important Information

In accordance with Clause 5 of the Gaming and Liquor Administration Regulation 2016, this decision is reviewable by ILGA.

The licence applicant and persons who were required to be notified of the application and who made a submission can apply for an application for review. An application for a review must be lodged with ILGA within 28 days of the date of the publication of this decision. An application fee

applies. In the case of the applicant, the fee payable is the fee applying to the original application. In all other cases, the fee is \$100.

For ILGA reviews of delegated decisions, make an application for review via the [Liquor and Gaming Application Noticeboard](#). The Review Application form can be accessed online via the make a submission button.

Further information can be obtained from the [Reviews of liquor and gaming decisions](#) page on the Liquor & Gaming website.

Schedule 1

Conditions considered by the ILGA delegate

All requests to impose conditions on the licence are reviewed on a case-by-case basis and a merit-based assessment is conducted.

In considering whether a proposed condition has merit, delegates consider:

- a. whether the need for the condition has been adequately established
- b. whether the benefits of imposing the condition are likely to outweigh the costs and
- c. whether the proposed condition is proportionate to the potential harm identified.

Licence conditions to be imposed

MV Sea Raes

1. Liquor must be sold/supplied with another product or service

Liquor may only be sold or supplied for consumption on the licensed premises with, or ancillary to, another product or service that is sold, supplied or provided to people on the licensed premises.

2. Requirement to provide food on licensed premises

Food of a nature and quantity consistent with the responsible sale, supply and service of alcohol must be available whenever liquor is sold or supplied.

3. Drinking water to be available free of charge

The licensee must ensure that free drinking water is available at all times at or near the bar areas.

4. Sydney CBD entertainment precinct

The licensee must not cause or permit any passengers to board from or disembark to any part of the Sydney CBD entertainment precinct (whether from the berthed vessel or by a tender or other means) during the general late trading period (after midnight). The restriction does not apply in relation to the period between midnight and 3am on 1 January in any year (New Year's Eve).

5. No liquor to be removed from the vessel

The licensee must ensure liquor is not removed from the licensed premises

6. Retail closure period

Section 11A of the Liquor Act 2007 applies to this licence. Liquor must not be sold by retail on the licensed premises for a continuous period of 6 hours between 04:00 AM and 10:00 AM during each consecutive period of 24 hours. The licensee must comply with this 6-hour closure period along with any other limits specified in the trading hours for this licence.

7. Restricted trading days and NYE

Reasons for not imposing requested conditions

- **A** - Already covered by the Liquor Act 2007
- **B** - Already a condition in the development consent
- **C** - Not a relevant condition for this licence type. Condition sought is generally only imposed on high-risk licence type or in exceptional circumstances. Exceptional circumstances have not been proposed by the person putting forward the condition
- **D** - Already covered in the plan of management. Plan of management condition has been imposed
- **E** - Not aligned with the business type and would impose disproportionate unnecessary financial and operational burden
- **F** - Being part of a liquor accord is on a voluntary basis only. Exceptional circumstances have not been proposed by the person putting forward the condition
- **G** - ILGA/L&GNSW condition wording has been imposed
