Under delegation issued by the Independent Liquor and Gaming Authority under section 13 of the *Gaming and Liquor Administration Act 2007*, **an authorised person** of Liquor & Gaming NSW, has **considered** the application:
On-premises liquor licence for restaurant class with primary service authorisation (PSA) – Dorsia

I have determined to approve the application under the *Liquor Act 2007* (Act) – with the conditions set out in Schedule 1.

Statement of reasons

Having reviewed all the material, I am satisfied under section 48(3) of the Act that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Main findings

Impacted communities

For the purposes of this decision the local community is the suburb of Byron Bay. The broader community is the Local Government Area (LGA) of Byron Bay.

Analysis of Submissions and statutory requirements

1. Appropriate consent is in place for the use of the premises for use as a licensed cafe and restaurant.
2. Council advised that they have no objection to the application.
3. No public submissions were received relating to the application.
4. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
5. I am satisfied that all other statutory requirements have been met.

Positive social impacts

I am satisfied that the proposal would benefit the local and broader communities Byron Bay. The venue will provide an additional restaurant in the suburb. A primary service authorisation will permit patrons to consume liquor without having to order a meal.

Negative social impacts

I accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities.

I am satisfied that the business model, conditions imposed, and any other information contained in the application will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

In particular, the Plan of Management and licence conditions will serve to mitigate any potential negative impacts.

The material that was considered

I considered the following material when making a decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a Statement of Risks and Potential Effects (SoRPE)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- stakeholder submissions and the applicant's response to them.

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

An application for review must be made no later 28 days after the decision is published on the website ([ILGA](#)). There is a fee to lodge the application.
