Application No.	APP-0014467549
Applicant	THE FRENCH CAROUSEL PTY LTD
Application for	On-Premises Liquor Licence with Catering Services & Sale On Other Premises Authorisation
Application date	27 February 2025
Licence name	The French Carousel
Trading hours	Monday to Sunday 10:00 AM – 12:00 AM
Premises	KARAMEA, 486 ELLSMORE RD EXETER NSW 2579
Legislation	Section 54A of the <i>Liquor Act 2007</i> Section 45(1) of the <i>Liquor Act 2007</i>

Under delegation issued by the Independent Liquor and Gaming Authority under section 13 of the *Gaming and Liquor Administration Act 2007*, an **authorised person** of Liquor & Gaming NSW, has **considered** the application: **On-Premises Liquor Licence with Catering Services and Sale On Other Premises Authorisation (SOOPA) – The French Carousel**

I have determined to approve the application under the *Liquor Act 2007* (Act) — with the conditions set out in Schedule 1.

Statement of reasons

Having reviewed all the material, I am satisfied under section 48(3) of the Act that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Main findings

Impacted communities

For the purposes of this decision the local community is the suburb of Exeter. The broader community is the Local Government Area (LGA) of Wingecarribee.

Analysis of Submissions and statutory requirements

1. The licensed premises will be a home office where sales invoices are processed on-line. A Home Business is covered under the SEPP requirements.
2. A Transport NSW submission was received and considered.
3. I am satisfied that the applicant has been provided with an opportunity to consider and comment upon the conditions contained in the licence document.
4. I am satisfied that all other statutory requirements have been met.

Positive social impacts

I am satisfied that the proposal would benefit the local and broader communities.

The licence specialised in curated wine offering made in France. It is intended to showcase these wines at various functions, events and special occasions. The permanent on premises catering service with the sale on other premises authorisation will negate the requirement to apply for limited licences for any given event. A suite of conditions imposed on the licence will ensure that; notification timeframes and function specific plan of management will be in place, depending on the proposed patron capacity. Responsible Service of Alcohol guidelines and measures will be in place.

Negative social impacts

I accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities.

I am satisfied that the business model, conditions imposed, and any other information contained in the application will ensure that the lawful operation of the premises will not be detrimental to the local or broader community.

In particular, the Plan of Management and licence conditions will serve to mitigate any potential negative impacts.

The material that was considered

I considered the following material when making a decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- stakeholder submissions and the applicant's response to them.

This decision will be published in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

Opportunity for review

The applicant and anyone who was notified of the application and made a submission, may apply to [ILGA](#) for a review of the decision.

An application for review must be made no later 28 days after the decision is published on the website ([ILGA](#)). There is a fee to lodge the application.
