Local ideas, real solutions

LOCAL IDEAS. REAL SOLUTIONS.

Liquor accords are partnerships among licensed venues, community members, local businesses, local councils, police and government departments that work together to develop practical solutions to address alcohol-related issues, anti-social behaviour and violence in local areas.

Member benefits

- A reduction in under-age drinking, anti-social behaviour and crime, and alcohol-related violence in licensed venues in your community
 - Safe, enjoyable entertainment and social environments for patrons
 - Improved compliance with the liquor laws and your reputation as a compliant venue
 - Collaborative and supportive relationships between licensees, local councils, patrons, residents and police
 - Customised materials and resources tailored to meet your requirements
 - Access to the latest liquor accord news, regulatory changes and industry updates
