Dear Mr Cornish

<b>Application No.</b>	APP-0008507409
<b>Applicant</b>	G.O.G Market Pty Ltd
<b>Application for</b>	Packaged liquor licence
<b>Licence name</b>	GOG Supermarket
<b>Trading hours</b>	Monday to Sunday 10:00 AM – 10:00 PM
<b>Premises</b>	Shop 1, 162 Willoughby Road Crows Nest NSW 2065
<b>Legislation</b>	Sections 3, 11A, 12, 30, 31, 40, 44, 45 and 48 of the <i>Liquor Act 2007</i>

**Decision of the Independent Liquor & Gaming Authority  
Application for a Package liquor licence – GOG Supermarket**

The Independent Liquor & Gaming Authority first considered the application above at its meeting on 14 July 2021 and, following the receipt and consideration of further requested information, and pursuant to section 45 of the *Liquor Act 2007*, decided on 22 July 2021 to **approve** the application subject to imposing conditions as set out in Schedule 1.

**Trading on a Sunday that falls on 24 December**

In the case of any Sunday that falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. In accordance with the 6-hour closure period for the current licence, the Premises must not trade earlier than 10:00 am.

**Mixed-use checkouts must be closed outside licensed hours**

Pursuant to section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

**Concise statement of reasons**

A concise statement of reasons for this decision is attached at the end of this letter.

In the interest of efficient finalisation of determined matters in a high-volume liquor and gaming jurisdiction, the Authority will only produce a detailed statement of reasons for applications which are refused, partially approved or the subject of stakeholder objections.

A concise statement of reasons is produced for non-contested applications that have been approved by the Authority, in cases where a statement of reasons is required to be published for the application under section 36C of the *Gaming and Liquor Administration Act 2007*.

The concise statement of reasons briefly sets out the material considered by the Authority, the legislative requirements, and the Authority's key findings.

If you have any questions, please contact the case manager Wendy Yeung at [wendy.yeung.wye.kong@liquorandgaming.nsw.gov.au](mailto:wendy.yeung.wye.kong@liquorandgaming.nsw.gov.au).

Yours faithfully

## Concise statement of reasons

### Key facts

<b>Application No.</b>	APP-0008507409
<b>Applicant</b>	G.O.G Market Pty Ltd
<b>Application for</b>	Package liquor licence
<b>Licence name</b>	GOG Supermarket
<b>Premises</b>	Shop 1, 162 Willoughby Road Crows Nest NSW 2065
<b>Trading hours</b>	Monday to Sunday 10:00 AM to 10:00 PM
<b>Application date</b>	17 March 2021
<b>Decision</b>	Approved under section 45 of the <i>Liquor Act 2007</i>
<b>Decision date</b>	22 July 2021

### Material considered by the Authority

The Authority has considered the following material in determining the application:

- Application material, including evidence of notification to specified stakeholders and the community about the application;
- Category B community impact statement;
- Premises plan setting out the proposed boundaries of the licensed premises and any applicable authorisations;
- Plan of management for the licensed business at the premises;
- Development consent for the premises;
- Statistics sourced from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics in respect of the socio-economic status, liquor licence density, alcohol-related crimes rates, and health issues in the relevant local and broader communities; and
- Stakeholder submissions in relation to the application, and the applicant's response to those submissions.

### Legislative requirements

The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:

- Section 3: Statutory objects of the Act and relevant considerations.
- Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold.
- Sections 14, 15, 15A and 17: Specific provisions in respect of a hotel licence.
- Sections 29-31: Specific provisions in respect of a packaged liquor licence.
- Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
- Section 44: Submissions to Authority in relation to licence applications.
- Section 45: Criteria for granting a liquor licence.
- Section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other

available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community.

The Authority has also had regard to its Guideline 6 in considering the overall social impact of approving the application pursuant to section 48 of the Act.

### **Key findings**

In accordance with its Guideline 6, the Authority finds that the relevant local community for the purposes of this decision is the suburb of Crows Nest, and the broader community is the Local Government Area of North Sydney.

#### Positive social impacts

The Authority is satisfied on the material before it that the proposal set out in the application, if approved, would likely benefit the local and broader communities through the provision of increased liquor access, choice and convenience.

The Authority notes the proposed business model of the Premises is to sell a limited quantity of Asian liquor within the existing Asian supermarket. The supermarket comprises approximately 400m<sup>2</sup> of floor space, while liquor will be contained to a small part of the store occupying approximately 10m<sup>2</sup>. The addition of specialist Asian liquor products to the existing supermarket will offer the convenience of a one-stop shop for existing customers.

#### Negative social impacts

The Authority accepts that the proposal may, over time, contribute to an increase in alcohol-related harm in the local and broader communities, including alcohol-fuelled violence, health problems and/or social and amenity issues, having regard to the:

- higher than average liquor licence density in the local and/or broader community, and
- presence of crime hotspots in the local community.

The Authority is nevertheless satisfied that these risk factors are sufficiently mitigated by the following:

- relatively small size of the area in which liquor will be sold or supplied,
- specialised nature of the liquor products authorised for sale,
- relatively moderate licensed trading hours,
- absence of any objections from agency stakeholders or members of the community, and
- harm minimisation measures set out in the plan of management and licence conditions as set out in Schedule 1.

#### Overall social impacts and conclusion

Having considered the positive and negative social impacts that are likely to flow from the applicant's proposal, the Authority is satisfied that the overall social impact of approving the application will not be detrimental to the well-being of the local or broader community.

The Authority is also satisfied that the other legislative requirements for the approval of the application have been met.

The Authority finds, having regard to the above, that approving the application is consistent with the statutory objects and considerations of the Act to regulate the liquor industry in line with the community's expectations, needs and aspirations, and facilitate the balanced and responsible development of the liquor industry and related industries.

Accordingly, the Authority approves the application under section 45 of the Act.
