Your feedback matters

Find information about liquor and gaming licences in your area and have your say

Community Access

We build relationships with local communities

Liquor & Gaming NSW can talk with your community group about how to make a contribution and have your say in the licence application process, how to find information about local licensing decisions, and more.

We can provide information on a range of topics:

- How your feedback contributes to a liquor or gaming licence decision
- How to find liquor licence applications in your area
- What you can do if your local licensed venue wants to add more gaming machines (pokies) to their gaming room

- How you can have your say
- Who to talk to about noise disturbances
- Access information on liquor and gaming programs.

Make a time to meet with us to talk about what matters to your community.
