Subject: Community Impact Statement for Liquorland Ropes Crossing
Date: Thursday, 29 June 2017 12:33:31 PM

To Whom It Concerns,

I'm writing in relation to the community impact of a proposed liquorland licence being granted at Ropes Crossing Central Village, T14, 8 Central Place. My concern is about the proposed opening hour to 11pm. I live close to the shops and already notice broken alcohol bottles. I have children and am concerned about other children with our growing school who may also cut themselves as they play in our street. I'm not opposed to the bottle shop but I do think that if opening hours are extended beyond 7pm it will make such incidents more frequent. I'm not sure that is an impact we wish to encourage

Kind Regards
