

Before you complete this checklist

What this checklist is for

It is a valuable tool you can use to help your venue comply with all your obligations under liquor laws. It covers important legislative requirements such as signage, advertising and responsible service of alcohol (RSA). We recommend that you use the checklist regularly to help monitor your compliance. If you check 'No' for any of the questions asked, you may be in breach of your obligations. Our compliance officers use this same checklist when they audit your licensed premises.

Why you need this checklist

The Secretary of the Department of Industry (the Secretary), Liquor & Gaming NSW (L&GNSW) and the Independent Liquor & Gaming Authority Board (the Authority) can impose conditions on your licence. The Secretary can order you to cease, vary or implement venue practices, order a late hour entry declaration, ban undesirable products and promotions, and require you to contribute and participate in a local liquor accord.

Definition

Unless otherwise specified, the terms 'approved', 'authorised', 'an approval' and 'an authorisation' relate to approvals and authorisations from or by the Authority or an L&GNSW delegate.
