

Category B Community Impact Statement

Before you complete this form

What this form is for

If your application is for a new liquor licence, an authorisation for an existing licence or to remove a licence and it falls under any one of the following categories, you will be required to complete a Category B Community Impact Statement (CIS-B):

- ▲ packaged liquor licence (full)
- ▲ hotel licence
- ▲ club licence
- ▲ small bar licence*
- ▲ on-premises licence for a public entertainment venue other than a cinema or theatre
- ▲ producer/wholesaler licence (if authorisation will allow the sale of alcohol by retail between 12 midnight and 5am)
- ▲ extended trading authorisation for a hotel, club, small bar or packaged liquor licence
- ▲ extended trading authorisation for an on-premises liquor licence allowing the sale of alcohol to occur between 12 midnight and 5am on any day of the week.

You need to include this Category B Community Impact Statement (CIS-B) with your application.

What you need to know

You need to complete your CIS-B before you lodge your liquor licence application. This written CIS-B is the end result of your consultation with your community – including the local council, police and interest groups. When it is received, it will be posted on the Liquor & Gaming application noticeboard for 30 days. The community will have the opportunity to view it and make submissions.

Find out more about [community impact statements](#) and the CIS-B process at liquorandgaming.nsw.gov.au.

Note:

- ▲ You must **be careful how you prepare and complete your CIS-B**. You may need professional advice for more complex or contentious applications. You may have to revise your CIS-B if it is incomplete or unsatisfactory.
- ▲ *A **small bar application** is not required to be accompanied by a CIS-B if development consent has been sought from the local council to use the premises as a small bar or to sell liquor during the times sought in the application, and police and the Secretary have been provided with notification of the development application within two working days of it and any amendments to it being lodged with the local council.

If information is missing, we'll need to ask you to supply the required information to support the application. This may delay our response.

How to lodge this form

- 📎 Submit this Category B CIS to L&GNSW attached to your liquor licence or licence-related application.
