

Extended trading authorisation – hotel licence

Liquor & Gaming NSW

Before you complete this form

What this form is for

It's for the licensee of a hotel who wants to apply for an authorisation to extend trading hours (ETA), or who wants to vary the extended trading hours already allowed.

Note:

A Category B Community Impact Statement (CIS) must be completed for new ETA applications and may be required by the Authority for ETA variation applications.

Factors which the Authority may consider in determining whether to require a CISB for ETA variation applications include, but are not limited to:

- ▲ nature and scope of the proposed changes
- ▲ local statistics
- ▲ objections received
- ▲ history of the venue's operation.

ETA variation applicants may wish to consider conducting a CISB voluntarily to avoid potential delays if the Authority decides to request one when the application is presented before it.

If the hotel's licence was granted before 30 October 2008, the licence will be subject to a 6-hour closure period if this application is approved. If the licence was granted on or after 30 October 2008, a 6-hour closure period already applies.

This form can be used to increase or reduce trading hours within the standard trading period, if an extended trading authorisation is applied for at the same time.

Cost

The fee for this application is set out in the [Liquor Fee Schedule](#). The total fee can include a combination of a fixed fee and a processing fee. The processing fee is not refundable if the application is withdrawn or not granted.

What you need to know

You can lodge this application if a Development Application (DA) is pending. However, the application will not be granted before a DA is approved and supplied to us.

Part 2 About this application

An extended trading authorisation allows the sale or supply of liquor outside the standard trading period. Standard trading hours for a hotel licence are 5am to midnight Monday to Sunday for consumption on the premises, 5am to midnight Monday to Saturday and 10am to 10pm Sunday for take away for full hotels (except on Good Friday and Christmas Day). Trading hours allowed by the local consent authority (e.g. the local council) may be different.

- ☐ a new extended trading authorisation
- ☐ a change to the trading times of an existing extended trading authorisation
- ☐ a change to the boundary of an existing extended trading authorisation
- ☐ a change to the trading times and boundary of an existing extended trading authorisation

If applying for a change to an existing extended trading authorisation, tell us the existing approved trading hours:

Part 3 About the 6-hour closure period

If the licence was granted before 30 October 2008, the licence will be subject to a 6-hour closure period if this application is approved. If the licence was granted on or after 30 October 2008, a 6-hour closure period already applies. The 6-hour closure period is a continuous block of time in each 24-hour period, during which the licence must not sell/supply liquor. The period cannot start any earlier than midnight. Standard trading hours are affected by the 6-hour closure period. Liquor & Gaming NSW will approve a period that is appropriate to the particular premises and the circumstances, having regard to the objectives of the *Liquor Act 2007*. Visit liquorandgaming.nsw.gov.au for more information about Liquor & Gaming NSW's policy.

Is the licence already subject to a 6-hour closure period?

No ☐

Yes ☒

If **Yes**, tell us the 6-hour closure period:

► If **Yes**, and if you propose a different 6-hour closure period, also lodge application form AM0488 **and** pay the fee for that application.

► If **No**, the licence will be subject to a 6-hour closure period if this application is granted and while the extended trading authorisation is in force.

Applicants must provide reasons and relevant information in support of the closure period which is proposed. Applicants should provide an account of the current or proposed mode of operation of the licensed premises, the demonstrated or likely needs of its patrons, the interests of the local community and the opinion (if any) of local Police towards the proposal.

Applicants should also address how the proposed closure period relates to considerations that Liquor & Gaming NSW will have regard to under section 3(2) of the *Liquor Act 2007*, which are:

- the need to minimise harm associated with misuse and abuse of liquor (including harm arising from violence and other anti-social behaviour)
- the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor, and
- the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity at community life
- the need to support employment and other opportunities in the live music industry, and arts, tourism, community and cultural sectors.

Attach a separate sheet if insufficient space.
