

Small bar licence – removal

Before you complete this form

What this form is for

This application form is for the licensee of a small bar who applies for approval to remove the licence from its existing location to a new location.

An application for approval to remove a licence to other premises is treated as an application for the grant of a licence for the new premises.

Note

You may need to complete a [Community Impact Statement](#) (CIS) before applying. If required, the CIS must be attached to this application.

If you need a new development consent, or to vary an existing development consent, in order to run a small bar in the premises, you should notify both NSW Police and the Secretary of the NSW Department of Customer Service within two working days of lodging your small bar development application with the council. Use the form FM2038 'Notice of Development Application' at liquorandgaming.nsw.gov.au.

Provided you notify both the above stakeholders within the two day timeframe, you will not have to complete a Category B community impact statement.

Cost

- ▲ The fee for this application is set out in the [Liquor Fee Schedule](#). The total fee can include a combination of a fixed fee and a processing fee. The processing fee is not refundable if the application is withdrawn or not granted.

No GST applies. Note that fees may change without notice.

Part 5 Liquor trading hours and 6-hour closure period

Trading hours for a small bar licence are midday to midnight on each day of the week. Small bars are also automatically permitted to trade until 2am. Additional extended trading hours can be approved under the liquor laws between 10am and 5am. Trading is not permitted on Good Friday and Christmas Day. Trading hours allowed by the local consent authority (e.g. the local council) may be different.

The licence will be subject to a 6-hour closure period, which is a continuous block of time in each 24-hour period, during which the licence must not sell/supply liquor. The period cannot start any earlier than midnight. Standard trading hours are affected by the 6-hour closure period. The Authority will approve a period that is appropriate to the particular premises and the circumstances, having regard to the objectives of the *Liquor Act 2007*. Visit liquorandgaming.nsw.gov.au for more information about the Authority's policy.

If the proposed hours for the 6-hour closure period are not 4:00am to 10:00am, you must provide reasons and relevant information in support of the closure period proposed. If the proposed trading hours are outside the standard trading hours, an extended trading authorisation form must be lodged.
