Part 7 Liquor trading hours and 6-hour closure period

Standard trading hours for a club licence are 5:00am to midnight Monday to Saturday for consumption on premises, 5:00am to 10:00pm Monday to Saturday for take-away sales, and 10:00am to 10:00pm Sunday (for all trading types) except on Good Friday and Christmas Day. Trading hours allowed by the local consent authority (e.g. the local council) may be different.

The licence will be subject to a 6-hour closure period, which is a continuous block of time in each 24-hour period, during which the licence must not sell/supply liquor.

The period cannot start any earlier than midnight. Standard trading hours are affected by the 6-hour closure period. Liquor & Gaming NSW will approve a period that is appropriate to the particular premises and the circumstances, having regard to the objectives of the *Liquor Act 2007*. Visit liquorandgaming.nsw.gov.au for more information about Liquor & Gaming NSW's policy.

If the proposed hours for the 6-hour closure period are not 4:00am to 10:00am, you must provide reasons and relevant information in support of the closure period proposed. If the proposed trading hours are outside the standard trading hours, an extended trading authorisation form must be lodged.

Applicants should provide an account of the current or proposed mode of operation of the licensed premises, the demonstrated or likely needs of its patrons, the interests of the local community and the opinion (if any) of local Police towards the proposal.

Applicants should also address how the proposed closure period relates to considerations that Liquor & Gaming NSW will have regard to under section 3(2) of the *Liquor Act 2007*, which are:

- a) the need to minimise harm associated with misuse and abuse of liquor (including harm arising from violence and other anti-social behaviour)
- b) the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor, and
- c) the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity of community life.
- d) the need to support employment and other opportunities in the live music industry, and arts, tourism, community and cultural sectors.
