If the licence was granted before 30 October 2008, the licence will be subject to a 6-hour closure period if this application is approved. If the licence was granted on or after 30 October 2008, a 6-hour closure period already applies.

The 6-hour closure period is a continuous block of time in each 24-hour period, during which the licence must not sell/supply liquor. The period cannot start any earlier than midnight. Standard trading hours are affected by the 6-hour closure period.

Liquor & Gaming NSW will approve a period that is appropriate to the particular premises and the circumstances, having regard to the objectives of the *Liquor Act 2007*. Visit [liquorandgaming.nsw.gov.au](http://liquorandgaming.nsw.gov.au) for more information about Liquor & Gaming NSW's policy.

Why do you propose to change the existing 6-hour closure period?

Applicants must provide reasons and relevant information in support of the closure period which is proposed. Applicants should also address how the proposed closure period relates to considerations that the Authority will have regard to under section 3(2) of the *Liquor Act 2007*, which are:

- (a) the need to minimise harm associated with misuse and abuse of liquor (including harm arising from violence and other anti-social behaviour)
- (b) the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor, and
- (c) the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity of community life.
