

# Category A Community Impact Statement

Liquor &amp; Gaming NSW

## Before you complete this form

### What this form is for

If you are seeking one of the following:

- ▲ a new packaged liquor licence limited to the sale or supply of alcohol via phone, fax, mail order or website
- ▲ to remove this type of existing licence to other premises
- ▲ primary service authorisation, e.g. where a restaurant wants to sell alcohol without meals
- ▲ extended trading on Sundays for an on-premises licence (between 5am and 10am or between 10pm and 11pm)

you need to include this Category A Community Impact Statement (CIS) with your application. It is your responsibility to talk to your local community about any concerns people have with your application for a liquor licence before it is lodged.

### What you need to know

You need to complete your CIS at least 30 days before you lodge your liquor licence application. This written CIS is the end result of your consultation with your community – including the local council, police and interest groups. When it is received, it will be posted on the Liquor & Gaming application noticeboard for 30 days. The community will have the opportunity to view it and make submissions.

**Note:** You must be careful how you prepare and complete your CIS. You may need professional advice for more complex or contentious applications. You may have to revise your CIS if it is incomplete or unsatisfactory.

If information is missing, we'll need to ask you to supply the required information to support the application. This may delay our response.

## How to lodge this form
