3 Objects of Act

- (1) The objects of this Act are as follows:
 - (a) to regulate and control the sale, supply and consumption of liquor in a way that is consistent with the expectations, needs and aspirations of the community,
 - (b) to facilitate the balanced development, in the public interest, of the liquor industry, through a flexible and practical regulatory system with minimal formality and technicality,
 - (c) to contribute to the responsible development of related industries such as the live music, entertainment, tourism and hospitality industries.

- (2) In order to secure the objects of this Act, each person who exercises functions under this Act (including a licensee) is required to have due regard to the following:
 - (a) the need to minimise harm associated with misuse and abuse of liquor (including the harm arising from violence and other anti-social behaviour),
 - (b) the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor,
 - (c) the need to ensure that the sale, supply and consumption of liquor contributes to, and does not detract from, the amenity of community life.

3. Statutory tests

- (1) In determining an application for a licence, under section 45(3) of the *Liquor Act 2007*, the delegate must also be satisfied that:
 - a. the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates,
 - b. practices will be in place as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises and that those practices will remain in place, and
 - c. if development consent is required under the *Environmental Planning and Assessment Act 1979* (or approval under Part 4 Div 4 or Part 5.1 of that Act is required), to use the premises for the purposes of the business or activity to which the proposed licence relates – that development consent or approval is in force.

4. Analysis of Submissions and other Materials

- (1) Having reviewed all of the material, I am satisfied that this application for an on-premises liquor licence is unlikely to result in any increase in alcohol-related harm in the Local Community.
- (2) The proposed licensed premises is primarily a restaurant and catering service with reduced trading hours, has no other endorsements on the licence. The proposed premises has sought catering service class to accommodate functions on the premises. The applicants seek an on-premises licence.
- (3) A submission from City of Sydney Council submission indicates that the city does not have any matters of concern with the application provided the approved hours are in line with the proposal. Development consent lodged with the application supports the proposed application.

- (4) A submission was received from the NSW Police which raised no objections. A number of conditions were proposed by which the applicant was provided with an opportunity to respond. Although not all conditions were consented to, the responses were duly considered and conditions imposed as deemed fit for the proposed model.
- (5) A plan of management was lodged with the application which indicates that responsible service of alcohol practices are in place.
- (6) I am satisfied that the statutory advertising requirements have been met.

5. Overall social impact

No public submissions have been received opposing the grant of the licence. A number of conditions have been imposed on the licence. The licence will be operated in accordance with harm minimisation measures outlined in the Plan of Management provided by the applicant.

6. Conclusion

- (1) I am satisfied that procedural fairness was afforded to the applicant and interested parties regarding the decision whether or not to grant the application, as all of those required to be notified of the application were provided with the opportunity to make written submissions and all submissions received were considered and helped inform this decision.
- (2) In accordance with section 45(3)(a) of the Act I am satisfied that the proposed licensee is a fit and proper person to carry on the business or activity to which the proposed licence relates.
- (3) Having considered the venue management plan and related material, under section 45(3)(b) of the Act, I am satisfied that practices will be in place at the premises as soon as the licence is granted that ensure, as far as reasonably practicable, that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place.
