### 3. Statutory tests

- (1) In determining an application for a licence, under section 45(3) of the *Liquor Act 2007*, the delegate must also be satisfied that:
  - a. the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates,

### 4. Community impact test

- (1) Under section 48(5) of the *Liquor Act 2007*, the delegate must not grant a licence, authorisation or approval of a kind prescribed by section 48(2) of the Act unless the Authority is satisfied, having regards to the Community Impact Statement, where required, and any other matter the delegate is made aware of during the Application process, that the overall impact of the licence, authorisation or approval in question being granted will not be detrimental to the local or broader community.
- (2) The test applying under section 48(5) relates to delegated decisions in relation to:

## 5. Analysis of Submissions and other Materials

- (1) Having reviewed all of the material, I am satisfied that this application for an On-Premises liquor licence (Restaurant with Primary Service Authorisation and Extended Trading) is unlikely to result in any significant increase in alcohol-related harms in the local community.

- (3) The restaurant is owned by Bankstown District Sports Club Ltd and shares its substantial security provisions.
- (4) I am satisfied that the applicant has provided consent to imposing the conditions contained in the licence document.
- (5) I am satisfied that the statutory advertising requirements have been met.

## 6. Overall social impact

### (1) Positive benefits

The proposed licence will enable a restaurant serving genuine meals to increase their level of customer service and cater for the needs of various business and social groups.

The nature of the licence sought means that there are unlikely to be any amenity impacts on the local community.

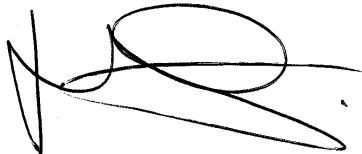

## 7. Conclusion
