## EXECUTIVE SUMMARY

### **INTRODUCTION AND BACKGROUND TO APPLICATION**

The Liverpool Hotel (Licence No. LIQH400103468) (the "Hotel") trades from premises at Cnr Moore & Macquarie Streets, Liverpool, in Liverpool's Central Business District. The Hotel is located within Liverpool Local Government Area, which is classified by the Independent Liquor and Gaming Authority as a "Band 2" LGA.

Approval is sought to allow a "low range" increase of the Hotel's gaming machine threshold by four, to increase that threshold to a total of 30.

The Hotel's gaming machine threshold is currently 26. If this application is granted, it is proposed that the Hotel's proprietors will purchase a further four gaming machine entitlements or Liquor Act permits so as to operate a total of 30 gaming machines at the Hotel.

### **RESPONSIBLE GAMBLING AND HARM MINIMISATION**

The primary purpose of the business is the sale of liquor by retail. Gaming machines are operated in a discrete gaming room within the Hotel. The provision of gaming is only one aspect of the variety of services and facilities provided at the Hotel.

The Hotel caters to a wide variety of the local community population, including residents and business people.

In addition to the minimum legislative requirements, the Hotel implements the AHA's GameCare self-exclusion program.

The licensee is a member of the local Liquor Accord.

### **LOCAL COMMUNITY**

The local community, for the purposes of this application, is Liverpool Local Government Area.

The Hotel trades as a suburban "local pub", generally attracting people from within the surrounding residential areas, as well as employees of the various commercial facilities located within the vicinity of the Hotel.

### **POSITIVE CONTRIBUTION**

The Hotel proposes to provide financial assistance in the sum of **\$24,208** to CatholicCare Sydney. CatholicCare Sydney is the official welfare agency of the Catholic Church in the Archdiocese of Sydney. It provides in excess of 140 programs in relation to ageing, dementia and disability care; employment, education, training and support services; and children, youth and family services. The organisation is heavily reliant upon charitable fundraising.

A copy of a letter from CatholicCare Sydney, describing its services and explaining the particular use to which the funds will be put is **attached** and marked "**A**". The Hotel's donation of \$24,208 will fund the operation of the Dementia Day Group which is attended by a number of residents of Liverpool LGA suffering from dementia and aims to help reduce confusion, encourage social interaction, increase self-esteem, reduce isolation,

maintain life skills and improve the quality of life of both the individual and his or her carer, who is given respite from caring by way of this service. Liverpool LGA has a higher percentage of individuals needing assistance with core activities according to the 2011 Census – 5.35% of its residents as opposed to 4.89% of the population of NSW. This means that there is a particular need for such services in the Hotel's local community.

## 1. INTRODUCTION

1.1. This Class 1 LIA is being prepared pursuant to sec. 36 of the Act to allow the gaming machine threshold of the Hotel to be increased by a "low range" threshold increase, of four. If approved, the threshold increase will take the Hotel's gaming machine threshold from 26 to 30.

1.2. In order to be approved, the LIA must:

- (a) comply with the requirements of the Gaming Machines Act and the Gaming Machine Regulation 2010;
- (b) demonstrate that gambling activities will be conducted in a responsible manner; and
- (c) demonstrate in the case of Class 1 LIA, that the increase in the threshold will provide a positive contribution towards the local community of the Hotel.

#### 4. **LOCAL COMMUNITY**

- 4.1. *Area* - For the purposes of this LIA, the local community is the whole of Liverpool LGA.
- 4.2. *Liverpool LGA*- The Hotel is located in the CBD of Liverpool suburb. It is situated in the north-east of the LGA, in the suburb of Liverpool. At the 2011 census Liverpool LGA had a population of 180,143 persons.
- 4.3. The LGA has a higher median weekly household income when compared to the same for NSW, at \$1,299 as opposed to \$1,237 indicating that it is somewhat advantaged. The LGA is also highly multicultural with only 15.5% of residents having Australian ancestry compared to 25% of the NSW population. Only 1.5% of the LGA's population is comprised of Aboriginal and Torres Strait Islanders, compared to 2.5% of the NSW population.
- 4.4. As a measure of the socio-economic position of the "local community", we refer to the Australian Bureau of Statistics' Socio-Economic Indexes for Areas (SEIFA). The most recent scores (2011) for Liverpool LGA are as follows.

Indicator	Score	Decile
IRSEAD	968	6
IRSED	951	4
IER	1002	8
IEO	956	6

- 4.5. These scores indicate that the population of Liverpool LGA is somewhat more advantaged than most NSW LGAs. That in turn suggests that this local community is not particularly vulnerable to gaming related harm and is unlikely to be detrimentally impacted by the grant of this application.

#### 5. **POSITIVE CONTRIBUTION**

- 5.1. The Hotel proposes to donate a total of \$24,208 to CatholicCare Sydney, the official welfare agency of the Catholic Church and Archdiocese of Sydney. It provides in excess of 140 programs in relation to ageing, dementia and disability care; employment, education, training and support services; and children, youth and family services. The organisation is heavily reliant upon charitable fundraising.

- 5.2. CatholicCare's vision is:-

*"For a society in which there is full recognition of individuals' rights and responsibilities, and that enables the dignity, wellbeing and participation of all persons".*

- 5.3. CatholicCare Sydney currently offers a Dementia Day Group for which it receives no formal funding. Clients suffer from mild to moderate dementia. The group meets twice a week on a Monday and a Friday at Moorebank Community Centre. On average there are approximately 12 clients participating per day.

- 5.4. Dementia Day Group aims to reduce confusion, encourage social interaction, increase self-esteem, reduce isolation, maintain life skills and improve the quality of life for both clients and their carers. Activities are carried out to support and break isolation, enhance health and wellbeing and to prevent falls. The group is facilitated by two paid staff for which CatholicCare bears the cost. The group provides carers with respite from caring duties along with meeting the needs of clients themselves.
- 5.5. The *Carers NSW 2012 Carer Survey*, facilitated and published by Carers NSW Inc., revealed that caring for the disabled and infirm negatively impacts upon a significant proportion of carers. Strategies to combat this include talking to friends and family, engaging in exercise and relaxation techniques and making use of respite and/or recreational opportunities. Dementia Day Group aims to provide respite for carers from the caring role, as well as provide support for dementia sufferers themselves.
- 5.6. The \$24,208 will allow Dementia Day Group to continue operating. Funds will be divided between the costs of hiring the hall, travel and accommodation costs, the purchase of equipment such as a television, DVD player and other forms of entertainment, and various costs in relation to outings, including catering, utensils, bus hire and other costs. Further details in relation to costs are **attached** and marked "D".
- 5.7. Liverpool LGA has a proportion of residents requiring assistance with core activities that is higher than the corresponding State average, at 5.35% compared to 4.89%. According to Liverpool City Council's *Disability Strategy 2012-2017*, Liverpool LGA also has a higher proportion of people living with a disability than does Greater Sydney. Further, according to 2011 Census data, 15,484 persons aged over 15 years (11.23% of those aged over 15 years) provided unpaid assistance to a person with a disability, long term illness or problems related to old age in the Liverpool LGA. This is also higher than the corresponding Greater Sydney proportion, which was 10.8%.
- 5.8. A letter from CatholicCare Sydney acknowledging the proposed donation is **attached** and marked "A".

6. **CONCLUSION**

- 6.1. The information provided in this Class 1 LIA complies with the Authority's Guidelines. In particular it:-
- addresses the responsible gambling and harm minimisation measures to be undertaken by the Hotel;
  - identifies the local community (and the relatively high levels of socio-economic advantage enjoyed by the local community); and
  - provides information to show that a positive contribution will be made to that local community if this LIA is approved and the Hotel's gaming machine threshold is increased by four.

Dear Ms Hurst,

**RE: Donation from The Corner Pub and Liverpool Hotel to CatholicCare Sydney**

Thank you for the donation opportunity you kindly presented to CatholicCare Sydney. CatholicCare Sydney is the official welfare agency of the Catholic Church in the Archdiocese of Sydney, currently delivering more than 140 programs in the areas of ageing, dementia and disability care; employment, education, training and support services; and children, youth and family services.

In accordance with our Vision and Values, CatholicCare promotes the dignity, equality and participation of our service users, excellence, accessibility, accountability and innovation through the provision of more than 745,000 occasions of service each year. As a person-centred organisation, CatholicCare has people at its heart. People in the community have the right and are able to determine the support they receive and to be empowered to make decisions that will enable them to live positive and fulfilling lives. The services provided by CatholicCare are inclusive of the whole community regardless of circumstance, ethnicity, religion, economic situation, age, gender or ability.

The donation in total of \$44,208, being **\$24,208 for Dementia Day Group** (Accommodation and Home Support cluster) **from Liverpool Hotel** and **\$20,000 for South West Sydney Carer Support Program** (Carer Support cluster) **from The Corner Pub**, will be used to enhance services to our clients, currently provided with limited State and Federal government funding.

South West Sydney Carer Support Program will use donation to purchase various resources that will be utilised across a number of carer supports, such as but not limited to games, puzzles, books, DVDs or CDs; to organise a number of outings such as Xmas in July, Opera House Tour, day trip to Nan Tien Temple and Carers' Night out, and to organise training on relevant topic. It will provide carers with the opportunity to socialise, relax and to visit places that otherwise would not be possible due to their financial situation and demands of their caring role. Part of this donation will be used to cover the cost of respite for their family members who simply can not be left on their own while their carer is away. Outings and events such as mentioned above would be for many carers a treat of a lifetime that the program would not be able to offer without this donation.

Dementia Day Care will use donation to cover the cost of hiring the venue, travel as being client related transport (pick ups, etc.), equipment and resources for the group as well as to cover the cost of outings. This donation will provide the group with variety of activities, stability and consistency in services it receives.

Running the above mentioned groups aims to support, reduce social isolation, increase and restore self-confidence and self-esteem, health and overall wellbeing and generally to improve participants' quality of life.

Thank you to Liverpool Hotel and The Corner Pub again and looking forward to hearing from you in the near future. Kind regards

Yours sincerely,

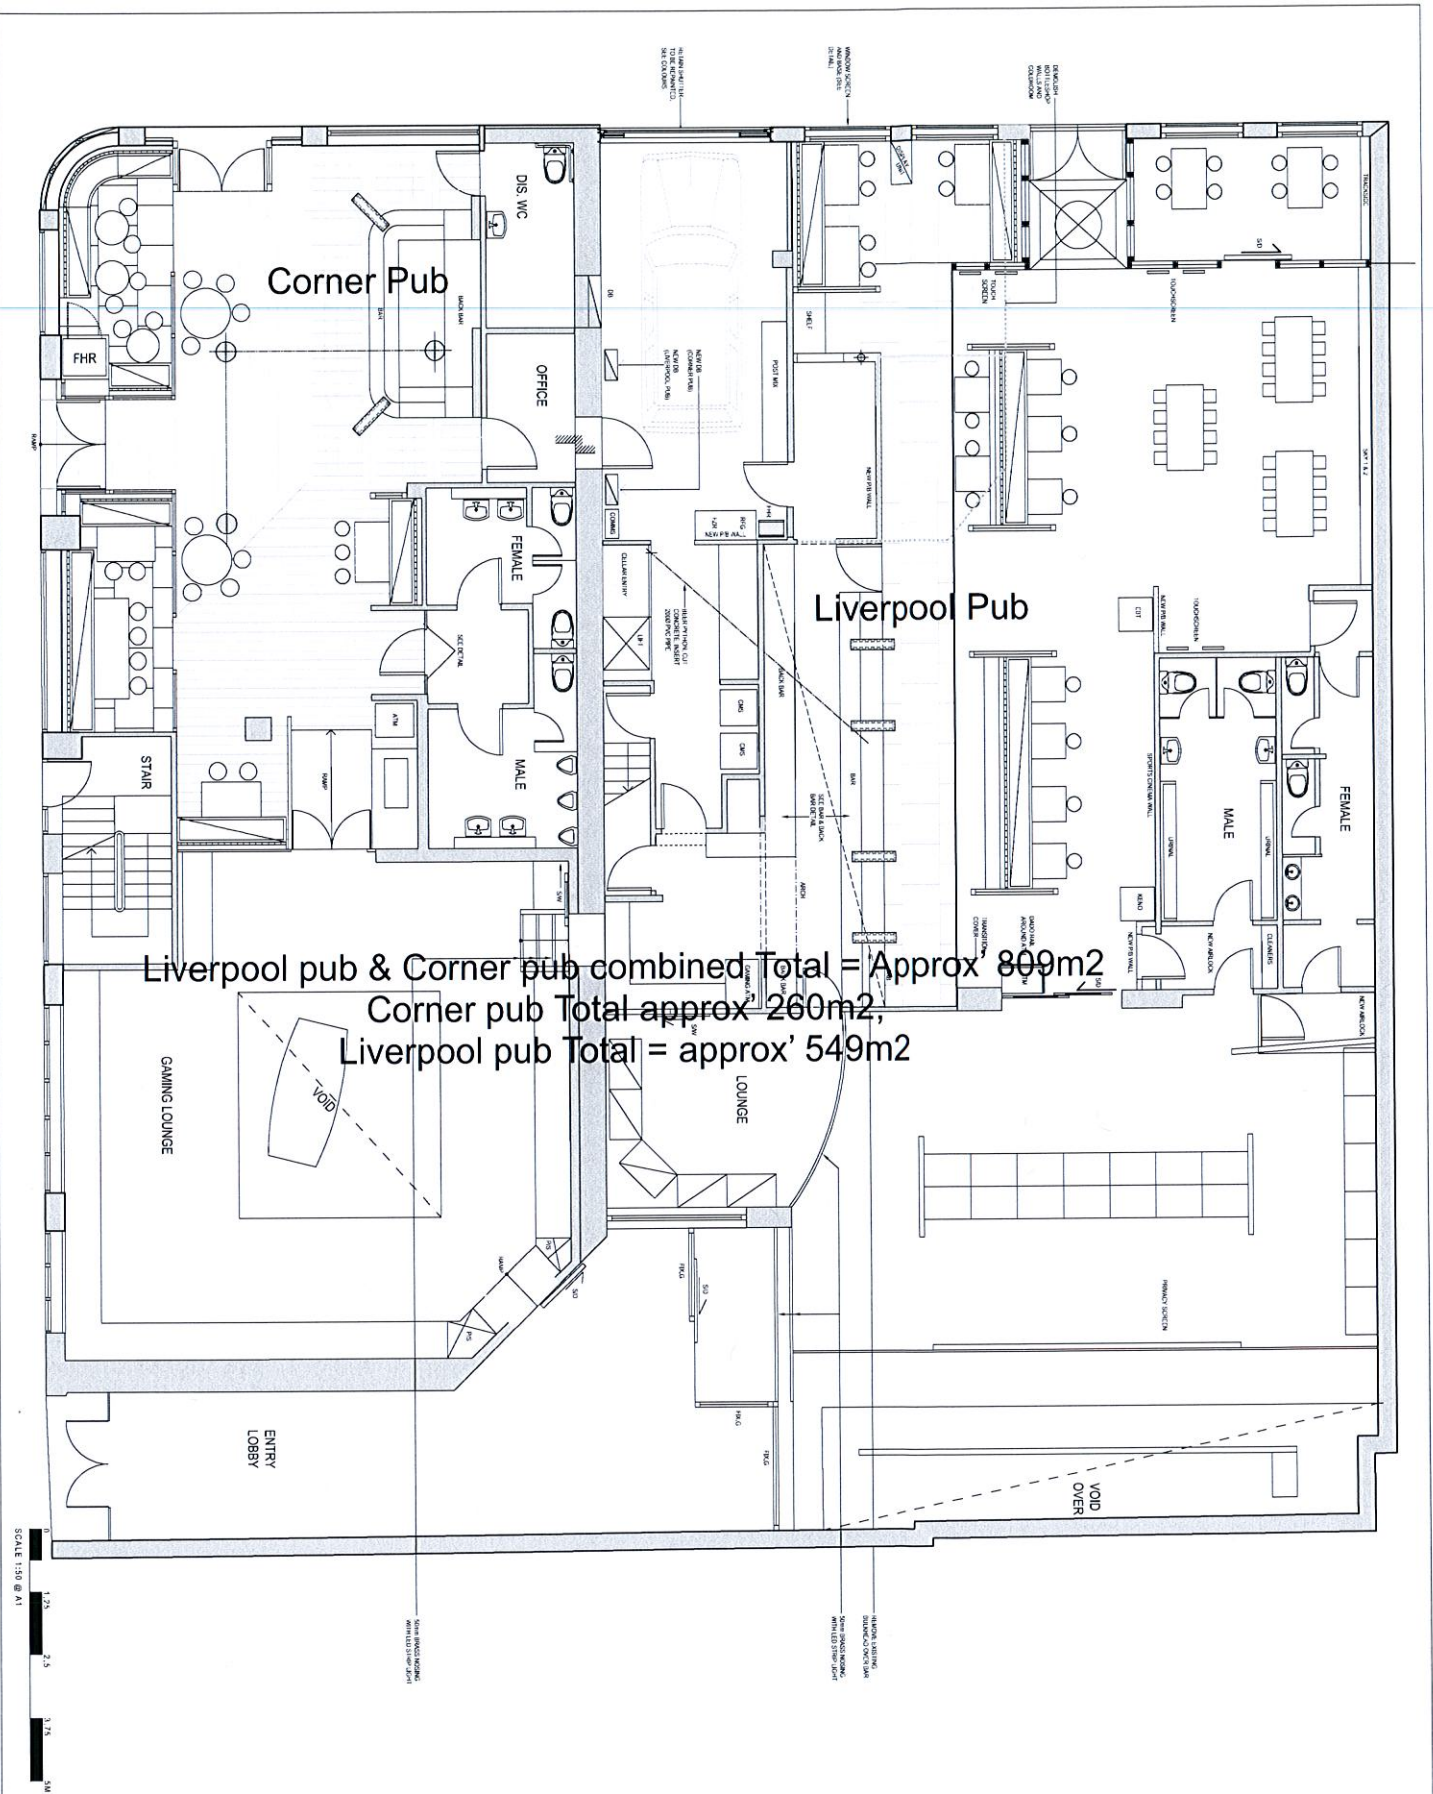

Jasminka Gojkovic, Cluster Manager CARER SUPPORT SERVICES
