Dear Mr Vukelic

I refer to your letter of 16 October 2008 regarding the proposed amalgamation of Mount Lewis Bowling Club and St John's Bowling and Recreation Club and the proposed transfer of poker machine entitlements between those premises.

Given the unique circumstances presented to me and the positive intention of both clubs to amalgamate, I am pleased to assist the proposed amalgamation by making a regulation that will provide an exception from the class 2 local impact assessment (LIA) requirements.

However, the Club will need to demonstrate that the proposed gaming machine threshold increase will provide a positive contribution towards the local community through the preparation of a class 1 LIA.

Should you wish to proceed with my offer of assistance, you will need to contact Mr Michael Mara at the NSW Office of Liquor, Gaming and Racing to make the necessary arrangements. Mr Mara can be contacted on 9995 0588 or by email at michael.mara@olgr.nsw.gov.au

Yours sincerely
