

The plan of licensed premises must contain certain elements. If the plan does not meet these requirements, the applicant will be required to resubmit the plan.

An example of a plan is provided below.

Plan Example

Note: Outdoor dining, if required, must have appropriate approval.
Describe on the plan what is being used to define the Outdoor dining, e.g. bollards.

Legend:

- Proposed licensed premises: _____
- Proposed Primary service authorisation: _____
- Proposed Extended trading authorisation: _____
