Submission to ILGA re: Newcastle Lock out laws.

Below is an email sent to Tony Brown on 5 August 2017.

I urge ILGA not to tamper with the existing laws as I believe that they are working to save lives. I also believe that they are continuing to prevent violent alcohol fuelled assaults in Newcastle and should not be tampered with.

Kind regards,  
Mark Sampson

Hi Tony

This evening I was harassed by a group of 3 intoxicated young men exiting this place around 10pm.

I was with a female friend walking past this bar and one of these men behaved in an obnoxious manner towards my friend. when I intervened on my friends behalf I was verbally abused.

This town is still bogan territory.

Newcastle still has a way to go.
