Dear Mr Horton

SUBMISSION TO THE NEWCASTLE CBD LIQUOR LICENCE CONDITIONS REVIEW

This is a submission to the Newcastle CBD Liquor License Conditions Review. I have lived in Newcastle East since 2001 and I live within 150m of two licenced bars. Since the introduction of the "Newcastle Conditions" in 2008, the city is a safer place to be even though it is still 20 - 30 times more violent than any other Australian city. I would like the "Newcastle conditions" to remain intact or perhaps even tightened, allowing the city to continue to improve and mature, so that one day in the foreseeable future its social sophistication equals its architectural and geographical beauty. I do not want it to spiral into an alcohol fuelled violent enclave that it once was prior to 2008.

Yours faithfully

Naomi Cooper
