That FOUR HOTELS on the strip should be allowed to totally dominate this entire area of mainly residential housing, local residents scared in their own streets, all sorts of drugs and drunks, vomit and urine in our doorways is not reasonable. The drugs lobby suggest that this is an entertainment area! There is NO entertainment here, no movies, no theatre, only degradation, drugs and too much alcohol. Do I use the local hotels? Yes, I do. But not at 3am, drunk and looking for a fight. High time to help we residents and not the alcohol lobby. Thanks.
