To Whom it May Concern,

I understand you are looking into extending the Jimmy Brings service post 10pm. I think that's a great idea. I can't see any reason why I shouldn't be able to responsibly order alcohol to drink in the pleasure and safety of my own home. Jimmy Brings is a premium service run by professionals that should be encouraged not restricted. If I am allowed a house party with music until 12am (or later in Bondi!), I can't understand why one cannot order alcohol post 10pm. It's safer to order alcohol than risk getting in the car when one might be possibly over the limit. I hope you seek to turn things around on this and allow adults to stay up as late as they like having a drink or two peacefully in the comfort of their own home.

Kind regards,

Paul
