

Word on the street appears long before it makes its way to politician's ears

To:Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I socialise a lot with both interstate & international visitors. Both of whom are constantly saying how Sydney is so boring and backwards and that they'd rather live in Melbourne.

This makes me sad as I've always flown the flag for Sydney....but if this keeps up then I will be joining the trendsetters in moving to Melbourne.
