To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

Mike Baird,

Don't allow profiteering on the sale of alcohol to take precedence over peoples lives!

If the current laws restricting the sale of alcohol help save lives then these LAWS MUST STAY!

It would be totally negligent for you as the leader of this state to say it would be OK to allow a "few deaths and injuries!!!!" so some alcohol sales outlets can make money!!!

Yes it sounds stupid because it would be!

Keep the current laws.
