Dear Sir/Madam,

I am a resident of  and I have not seen any benefit from these lock-out laws that even comes close to the reduction in quality night life not only in the Cross but in the eastern suburbs that are affected by these laws.

Please re-consider and, in consultation with the public and industry stake-holders that have late night trading, come up with some regulations that allow us (the public) to make decisions for ourselves on how we socialise late into the night and address and remove the small minority of violent drunks and thugs that have been used as a reason to ruin our creative, buzzing, flamboyant and formerly free city.

Thank you,  
Amanda
