I was recently in Hong Kong and the night life there is amazing. I met a friend in HR. We went out, had a fantastic time and drunk well into the night. The atmosphere was incredible.

People will revolt or leave Sydney. We will not allow this amazing city to become the laughing stock of the world. There are tens of thousands out there extremely passionate about keeping this city alive.

Please! Keep Sydney Open or keep the worst policy's ever implemented.

Regards Adam
