To whom it may concern,

My name is Janelle Borg and I am 61years old, married, with 3 granddaughters and 1 grandson. I work in a nursing home and enjoy the residents that I work with, who I find at their age, some of them 98 years old, a real joy to work with. They are men of integrity, respect and honour. Who have lived their lives that way and have been good citizens, bringing up their children in the same way. That is part of the reason for their long lives, and still enjoying their lives up to a point. I know people have different backgrounds but I see the difference in some of the people, with how they have lived and wonder how the generations that are coming how they will be when they get older. Please maintain the laws that we have now as the results to our society and the future of our society is what is at stake, Preserve as much as we can while we can for the future of our children and our children's children.

Yours faithfully

Mrs Janelle Borg
