To The Honourable Ian Callinan AC QC,

I recently read that there is to be a review of the impact of the liquor law reforms.

I am a 36-year-old professional, I live in North Bondi with my wife. I am writing to express my wish that you review the 10pm curfew on the take away and delivery of alcohol.

As a person who enjoys entertaining at home I find it difficult to understand why I cannot purchase alcohol to take home to drink when I am able to go into a local pub and drink after this time. I feel that having alcohol delivered to my home contributes to creating a safer drinking culture in Australia as it gets people off the streets, and into their homes.

I sincerely thank you for your consideration on this matter and hope you will review the current curfew on the delivery of alcohol after 10pm.

Sincerely,

Joel Brandon
