

Submission to the review of alcohol

Jean Callender [REDACTED]

Thu 24/03/2016 5:39 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

Minister, surely you have only to speak to the doctors at St. Vincents Hospital and the paramedics to know a reversal of our alcohol laws is simply out of the question.
Please do not be influenced by those with a vested interest or those who think all night drinking is the only way to have a good time.
An old chestnut, "money is the route of all evil"? I think it is so.

Regards,

Jean Callender
