

Submission to the review of alcohol

Brian Chapman [REDACTED]

Thu 24/03/2016 1:55 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

The stats tell the truth of the matter. The laws work - the Doctors, Police and Paramedics can't all be wrong. The vested alcohol interests are desperate and distorting the stats with lies and half truths to suit their own agenda.

The laws must remain as is - in fact they should be extended.

I say this even though my son is the licensee of a major Sydney beachside hotel and is strongly opposed to the laws.

Regards,

Brian Chapman
