To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

We have 8 grand children, the oldest is 15 and we don't want her or any of the others killed by some fool with too much alcohol in their system.

We also strongly object to a system that fuels abuse of our very important services sector members due to alcohol.

Enough is enough. Look at the facts and get those pubs and clubs closed even earlier. The lives of our youth are worth it.
